[Native Tongue, Stranger Talk](#) Michelle Hartman, 2014-06-30 Can a reality lived in Arabic be expressed in French? Can a French language literary work speak Arabic? In Native Tongue, Stranger Talk, Hartman shows how Lebanese women authors use spoken Arabic to disrupt literary French with sometimes surprising results. Challenging the common claim that these writers express a Francophile or colonized consciousness, this book demonstrates how Lebanese women writers actively question the political and cultural meaning of writing in French in Lebanon. Hartman argues that their innovative language inscribes messages about society into their novels by disrupting class, status, hierarchy, narrow ethno-religious identities, and rigid gender roles. Because the languages of these texts reflect the crucial issues of their times, Native Tongue, Stranger Talk guides the reader through three key periods of Lebanese history: the French Mandate and Early Independence, the Civil War, and the postwar period. Three novels are discussed in each time period, exposing the contours of how the authors write Arabic in French to invent new literary languages.

[How to Talk about Jesus \(Without Being That Guy\)](#) Sam Chan, 2020-11-03 Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively; it's offensive, inappropriate, and insensitive. Recent studies confirm that the majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In How to Talk About Jesus Without Being That Guy, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their

faith in the least awkward ways possible Drawing from over two decades of experience as an evangelist teacher and pastor Chan explains why personal evangelism feels so awkward today And utilizing recent insights from communication theory cross cultural ministry and apologetics he helps you build confidence in sharing your faith and teaches you how to evangelize your friends and family in socially appropriate ways
