*Essex Conversations* , In the Middle of a Journey Richard S. Gilbert,2013-04-17 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology *In the Middle of a Journey* From William Ellery Channings eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future *First series of Imaginary conversations: Classical dialogues (Greek) and (Roman) Citation and examination of William Shakespeare touching deer-stealing* Walter Savage Landor,1876
