INVINCIBLE TALBOT

Essentially a *comfortable* car.

Over-size tyres and extra-size cushions may be excellent palliatives for the discomforts of a "nervy" car, but can never give the **inherent** comfort of a Talbot—with its perfectly-balanced engine, smooth running gears, and luxurious suspension.

A chassis tuned till all its complementary parts run in perfect unison, free from jar or wearisome vibration at whatever speed. A car of the utmost comfort to ride or drive, in which touring can never become tiring.

The numerous successes by Talbot Cars in this season's Speed and Reliability Trials (Sixty Firsts to date) are conclusive proof that here is a car possessing all those attributes summarily expressed as efficient Service, compatible with real comfort.
