**Statements of Statutory Accounting Principles (SSAP) - Volume I**

*In October 2010, the Statutory Accounting Principles (S) Working Group adopted a proposal to remove 100% superseded SSAPs and nullified interpretations (INTs) from Volume I of the Manual and include these items within a new Appendix H in Volume III. Under this approach, only current authoritative guidance is located in Volume I of the Manual, while preserving the historical reference needed for accounting purposes. If a SSAP or interpretation has been superseded, it is included in Appendix H.*
