The Adventures of Chatterer the Red Squirrel by Thornton W. Burgess follows the escapades of Chatterer a mischievous red squirrel known for his curiosity and lack of caution. The story begins with Chatterer fleeing for his life from Shadow the Weasel a relentless predator. In his desperation Chatterer seeks refuge in Farmer Brown's corn crib where he begins to steal corn to survive. Despite his initial caution Chatterer grows careless leaving evidence of his thefts which leads Farmer Brown's boy to set traps. Chatterer's curiosity gets the better of him and he is eventually caught in a rat trap. Believing this to be his end Chatterer is surprised when Farmer Brown's boy decides not to harm him but instead places him in a cage. Initially Chatterer resolves to starve himself rather than live in captivity. However hunger eventually overcomes his resolve and he begins to eat the food provided. Throughout the story Chatterer learns valuable lessons about the consequences of his actions the importance of caution and the kindness that can be found in unexpected places. The narrative is a blend of adventure and moral lessons typical of Burgess's works which often aim to teach young readers about nature and ethical behavior.
