**The Afterlife of Charles Dickens's "Great Expectations" in the Late 20th and Early 21st Century** Enver Kazić,2016-05-02 Seminar paper from the year 2014 in the subject English Language and Literature Studies Literature grade A University of Sarajevo course English Language and Literature language English abstract It seems that the 19th century industrial development and generally the period called Victorian age was not suitable for the urban writer such as Dickens It should not come as a surprise that Dickens was not very satisfied with the period he lived in or with people around him The fact that he had already sold the lease on his London house and moved to the swamp North Kent Marshes before he started to write the novel Great Expectations may come as a proof for this statement Dickens was forty eight then and he could not stand pollution and bad public health or the famous London fog of which he wrote so much in his novels Bleak House and Our Mutual Friend There is however always a huge diversion between rural and urban in Dickens novels especially in Great Expectations

Because of this huge distinction Tristan Siple in her work *The Revenge of Swamp Thing Wetlands Industrial Capitalism and the Ecological Contradiction of Great Expectations* divides Dickens in the two groups pastoral Dickens and gritty urban Dickens In *Great Expectations* marsh the place where the main protagonist Pip lives the marsh is without a doubt showed as a place of wrongdoings criminality and everything bad

*The Afterlife Confessional* Bill Edgar, 2024-07-02 A private investigator with a haunting past Bill Edgar's life was never destined to be ordinary Rising to international fame as the Coffin Confessor the man who crashes funerals on behalf of the deceased giving voice to their last wishes Bill dismantled many of the assumptions we hold about truth dignity and the business of dying Swindlers cheaters vultures liars and con artists there isn't a musty corner of the human soul Bill hasn't confronted Loved and loathed in equal measure his only concern is being the caretaker of the secrets and desires his clients have entrusted to him Shame and outrage healing and comfort are left up to those left behind But it's a request from one woman to hand deliver a bottle of wine to her husband on the anniversary of her death that raises deeper questions What do we make out of the handful of days we're given If hate and injustice are so hard to bury why does love have a knack for triumphing Are the most profound acts in life sometimes the most quiet ones

*The Afterlife Confessional* follows Bill's journey for answers as he looks through the dizzying kaleidoscope of his clients lives the widower who escaped an aged care trap to take her husband's ashes on the road trip of a lifetime the man who spent his life paying it forward to try to make up for one shameful act the closet dominatrix who quietly confronts her husband's infidelity by comforting those truly in need the devoted couple who insist on going hand in hand into the afterlife Heartbreaking and hilarious outrageous and wise *The Afterlife Confessional* is Bill Edgar's fascinating account of the things he's witnessed and learned as the Coffin Confessor the bizarre and beautiful ways we live and love the finality of death and the power of legacy and how letting go can sometimes be the first step to living on

*Depicting the Afterlife in Contemporary Film and Media* Angelique Nairn, 2025-08-19 What lies beyond death This book brings together a diverse collection of scholarly voices to explore how popular culture imagines and reimagines the afterlife Drawing from film television video games literature advertising and digital technologies this book examines how narratives about Heaven and Hell ghosts and gods memory and immortality shape contemporary understandings of morality death and what may come after From Pixar's *Coco* to *The Good Place* *Ghostbusters* *Upload* and *Westworld* these chapters interrogate the enduring power of afterlife narratives to provide existential comfort moral guidance and cultural critique Whether through the lens of theology philosophy or secular imagination contributors consider how popular media blurs the sacred and the profane challenging dogma reframing ethics and offering new possibilities for how we remember the dead and live among the living Spanning topics such as queer love in the afterlife Indigenous cosmologies digital resurrection and the theological implications of robots *Depicting the Afterlife in Contemporary Film and Media* Morality Religion and Death is a timely exploration of how the afterlife continues to haunt and inspire modern culture Essential reading for scholars of media studies

religious studies cultural theory and anyone fascinated by humanity's oldest and most enduring question what happens when we die *Experiencing the Afterlife* Manuele Gragnolati, 2005 *Experiencing the Afterlife* provides the first sustained analysis of popular vernacular depictions of the afterlife written in Italy before the *Divine Comedy* by authors such as Uguccione da Lodi Giacomino da Verona and Bonvesin da la Riva Manuele Gragnolati uses his readings of these poets to provide a new interpretation of Dante's work Combining elements from several disciplines he investigates the richness of high medieval eschatology and the concept of personal identity it expresses Gragnolati is particularly concerned with how the notions of body and pain characteristic of medieval spirituality and devotion inform the eschatological representations of the time especially in their paradoxical urge to stress at once the physical experience of the separated soul and the final necessity of bodily resurrection By integrating lesser known texts and scholarship from other disciplines into the specialized field of Dante studies Gragnolati sheds new light on some of the most vigorously debated and crucial questions raised by the *Divine Comedy* including the embryological discourse of Purgatorio 25 the relation between the soul's experience of pain in Purgatory and the devotion that late medieval culture expressed toward Christ's suffering and the significance of the audacious vision of resurrected bodies that Dante the pilgrim enjoys at the end of his journey At the same time Gragnolati brings these questions back into contemporary discussions of medieval eschatology and opens new perspectives for current and future work on embodiment and identity Scholars and students of Dante and Italian studies as well as those in medieval history religion culture and art history will be rewarded by the fresh insights contained in *Experiencing the Afterlife*

*Providing for the Afterlife* Susan L. Beningson, Cary Yee-Wei Liu, Willow Hai Chang, 2005 **Death and the Afterlife in Pre-Columbian America** Elizabeth P. Benson, 1975 **'Iggrot Ha'Ari**, 1998 *Doyle After Death* John Shirley, 2013-10-22 In this mystery by an award winning author a dead Vegas PI teams up with the ghost of Sir Arthur Conan Doyle to solve a murder in the afterlife When Nicholas Fogg an unsuccessful private investigator dies on the job he learns that the afterlife is not what he expected Disappointed but not too surprised to find himself in the very dead town of Garden Rest he befriends the famous Arthur Conan Doyle to crack a case from beyond the grave and solve the ultimate riddle Is it possible to be murdered if you are already dead **Life After Death** Alan Segal, 2010-06-23 A magisterial work of social history *Life After Death* illuminates the many different ways ancient civilizations grappled with the question of what exactly happens to us after we die In a masterful exploration of how Western civilizations have defined the afterlife Alan F Segal weaves together biblical and literary scholarship sociology history and philosophy A renowned scholar Segal examines the maps of the afterlife found in Western religious texts and reveals not only what various cultures believed but how their notions reflected their societies realities and ideals and why those beliefs changed over time He maintains that the afterlife is the mirror in which a society arranges its concept of the self The composition process for Judaism Christianity and Islam begins in grief and ends in the victory of the self over death Arguing that in every religious tradition the afterlife represents the ultimate

reward for the good Segal combines historical and anthropological data with insights gleaned from religious and philosophical writings to explain the following mysteries why the Egyptians insisted on an afterlife in heaven while the body was embalmed in a tomb on earth why the Babylonians viewed the dead as living in underground prisons why the Hebrews remained silent about life after death during the period of the First Temple yet embraced it in the Second Temple period 534 B C E 70 C E and why Christianity placed the afterlife in the center of its belief system He discusses the inner dialogues and arguments within Judaism and Christianity showing the underlying dynamic behind them as well as the ideas that mark the differences between the two religions In a thoughtful examination of the influence of biblical views of heaven and martyrdom on Islamic beliefs he offers a fascinating perspective on the current troubling rise of Islamic fundamentalism In tracing the organic historical relationships between sacred texts and communities of belief and comparing the visions of life after death that have emerged throughout history Segal sheds a bright revealing light on the intimate connections between notions of the afterlife the societies that produced them and the individual s search for the ultimate meaning of life on earth     **The After Life of the Apostles** Constance Howell,1884     **Perspectives on Death and Dying** Arthur S.
