Marketing Analytics: A Practitioner's Guide To Marketing Analytics And Research Methods Ashok Charan, 2015-05-20. The digital age has transformed the very nature of marketing. Armed with smartphones, tablets, PCs, and smart TVs, consumers are increasingly hanging out on the internet. Cyberspace has changed the way they communicate and the way they shop and buy. This fluid, de-centralized and multidirectional medium is changing the way brands engage with consumers. At the same time, technology and innovation, coupled with the explosion of business data, has fundamentally altered the manner we collect, process, analyze, and disseminate market intelligence. The increased volume, variety, and velocity of information enables marketers to respond with much greater speed to changes in the marketplace. Market intelligence is timelier, less expensive, and more accurate, and

actionable Anchored in this age of transformations Marketing Analytics is a practitioner s guide to marketing management in the 21st century The text devotes considerable attention to the way market analytic techniques and market research processes are being refined and re engineered Written by a marketing veteran it is intended to guide marketers as they craft market strategies and execute their day to day tasks
