Approaches to Chinese-English Translation and Interpreting Meifang Zhang,Dezheng (William) Feng,2020-12-29

Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture *The Psychosocial*

Implications of Disney Movies Lauren Dundes,2019-07-11 In this volume of 15 articles contributors from a wide range of disciplines present their analyses of Disney movies and Disney music which are mainstays of popular culture The power of the Disney brand has heightened the need for academics to question whether Disney s films and music function as a tool of the Western elite that shapes the views of those less empowered Given its global reach how the Walt Disney Company handles the role of race gender and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume On the other hand other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies The authors of the 15 articles encourage readers to engage with the material showcasing a variety of views about the good the bad and the best way forward Using Chinese Classics for Intercultural Communicative

Competence Jinai Sun,Xuehua Xiang,Li Ye,2024-08-05 Using Chinese Classics for Intercultural Communicative Competence presents new strategies and tools for integrating Mandarin language teaching with fostering intercultural competencies through contemporary global lenses on Chinese classic texts Chinese classic texts are canonical works in Chinese culture

published before 1911 They offer a window into deeply held cultural values which learners of the Chinese language would benefit from studying to facilitate meaningful intercultural dialogues With chapters covering classic Chinese texts such as Journey to the West Dream of the Red Chamber and The Romance of the Three Kingdoms this book will demonstrate the value importance and feasibility of teaching Chinese classic works for ICC development in the Chinese world language classroom and equip teachers with carefully planned classroom tested lesson models that demonstrate the innovative integrative models advocated in this book This book will be valuable for pre and in service Mandarin Chinese teachers across various institutional settings at different levels looking for ready materials and professional development resources The book can also be used as core material for teacher training programs **Deception and Disguise** Ruth Elaine Nybakken,1978

Multimodal Perspectives of Language, Literacy, and Learning in Early Childhood Marilyn J. Narey,2017-01-03
Our image rich media dominated culture prompts critical thinking about how we educate young children In response this volume provides a rich and provocative synthesis of theory research and practice that pushes beyond monomodal constructs of teaching and learning It is a book about bringing sense to 21st century early childhood education with sense as related to modalities sight hearing and sense in terms of making meaning It reveals how multimodal perspectives emphasize the creative transformative process of learning by broadening the modes for understanding and by encouraging critical analysis problem solving and decision making The volume s explicit focus on children s visual texts art facilitates understanding of multimodal approaches to language literacy and learning Authentic examples feature diverse contexts including classrooms homes museums and intergenerational spaces and illustrate children s sense making of life experiences such as birth identity environmental phenomena immigration social justice and homelessness This timely book provokes readers to examine understandings of language literacy and learning through a multimodal lens provides a starting point for constructing broader multimodal views of what it might mean to make meaning and underscores the production and interpretation of visual texts as meaning making processes that are especially critical to early childhood education in the 21st century
