**The Front Office Manual** A. Sutherland, J. Court, 2013-11-26 The Front Office Manual is unique providing clear and direct explanations of tools and techniques relevant to front office work. From how to build a yield curve to how a swap works to what exactly product control is supposed to do this book is essential reading for anyone who works or wants to work on the sell side.

**Service Operations Dynamics** Henk Akkermans, 2018-04-24 This innovative book presents an up to date account of service operations spanning topics such as IT enabled services, service supply chain and volatility of demand and supply. Combining a systems perspective with a focus on service supply chains the chapters provide a clearly framed set of mechanisms and theories with a focus on innovation driven sectors and the game changing role of IT. With each chapter built around real life examples and service companies the primary services supply chain is discussed alongside four key stakeholder groups: workforce, customers and markets, buyers and suppliers, and IT and innovations.
