Key Of Knowledge Nora Roberts, 2003-11-25 1 New York Times bestselling author Nora Roberts unlocks the dreams of a woman on a quest for the truth in her second Key Trilogy novel. Dana Steele has always found her greatest passion in books. But now her boss is making her job as a librarian a living hell. Luckily she now has a Plan B. High on a hill overlooking the town of Pleasant Valley Pennsylvania sits the Warrior's Peak estate. It's where Dana was invited to meet Malory Price and Zoe McCourt and where they learned that they were destined to find three keys to unlock a box holding the souls of three mythical demigoddesses one an artist one a bard and one a warrior. With the promise of a million dollars each dangled before them the women couldn't refuse. And as Malory found the first key they formed a fast friendship and decided to go into business together. For Dana that meant her dream of owning a bookstore was about to come true. And now as Dana finds herself on the threshold of some major life changes it's her turn to find a key. She has four weeks to unravel a riddle involving her past present and future and to find the truth hidden among deception and lies or succumb to her worst nightmare. But the women are shocked to learn that before any of them can inherit they must live together on the ranch for one year. For Tess a screenwriter who just wants to collect her cash and get back to Hollywood it's a nightmare. For Lily on the run from her abusive ex husband it's a refuge. And for Willa who grew up on the ranch it's an intrusion into her rightful home. They are sisters and strangers. Now they face a challenge to put their bitterness aside and live like a family. To protect each other from danger and unite against an enemy who threatens to destroy them all.
