Millim,2016-02-17 In her examination of neglected diaristic texts Anne Marie Millim expands the field of Victorian diary criticism by complicating the conventional notion of diaries as mainly private sources of biographical information She argues that for Elizabeth Rigby Eastlake Henry Crabb Robinson George Eliot George Gissing John Ruskin Edith Simcox and Gerard Manley Hopkins the exposure or publication of their diaries was a real possibility that they either coveted or feared Millim locates the diary at the intersection of the public and private spheres to show that well known writers and public figures of both sexes exploited the diary s self reflexive diurnal structure in order to enhance their creativity and establish themselves as authors Their object was to manage rather than to indulge or repress their emotions for the purposes of perfecting their observational and critical skills Reading these diaries as literary works in their own right Millim analyses their crucial role in the construction of authorship By relating these Victorian writers diaries to their publications and to contemporary works of cultural criticism Millim shows the multifarious ways in which diaristic practices emotional management and professional output corresponded to experiences of the literary marketplace and to nineteenth century codes of propriety      Outwit Your Weight Cathy Nonas,Julia VanTine, R.D.,2004-01-17 Get ready to discover a totally new way to think about weight control a system that virtually guarantees success Years of working with overweight men and women have convinced weight loss expert Cathy Nonas that there s only one surefire way to lose weight and keep it off And it isn t dieting It s learning to use tools small yet ingenious tips tricks and techniques that help keep your eating and exercise habits on track no matter what diet you re on Here Cathy reveals more than 200 tools road tested by her thousands of clients that will help you eat smarter get and stay active and break through self destructive thinking patterns and behaviors that have sabotaged your weight control efforts in the past You ll also find The Eating Assessment Test EAT which helps you decipher your eating style and
