The selections in Freedom in One Lesson are intended to stimulate serious thought and further reading and hopefully to begin infecting people today with his deep seated commitment to liberty. TINECHI,2014-06-13 The human being with an average lifespan of less than nine decades is born onto a planet that is billions of years old. Yet humans spend this minuscule amount of time fighting, cheating and hating each other all in an attempt to own the earthly materials that have been and will always be here.

Using a fictionalized setting the author Jean O Tinechi suggests that this human characteristic has persisted over the millennia due to a civilization built on a misguided education. Johnny Maku is an intelligent teenage boy thrust into a luxury cruise ship to Alaska where he meets an equally intelligent and ravishingly beautiful teenage girl Sandra Peters. Like a storm his thoughts, events and feelings pummel this shy young man for the next eight days. It is not until the very end that he realizes he had just been on a journey through life.     *Russian Literature Triquarterly* ,1991     *Index to Russian Literature Triquarterly, 1971-1976* Carl R. Women

and White Collar Crime explores the topic of women and white collar crime beyond any previous attempts by encompassing theoretical historical and critical accounts of female perpetrators victims and whistle blowers Through the examination of numerous real life case studies the book provides insight into the personal and societal characterizations of women who cross the line into elite deviance or become victims of corporate and occupational crime Book Jacket **Alternatives in Print** ,1977 *Canadian Review of Comparative Literature* ,1978 *The Publishers' Trade List Annual* ,1974
