Slowburning Fuse:

Slow Burning Fuse John Quail,2019-06-01 In the accounts of the radical movements that have shaped our history anarchism has received a raw deal Its visions and aims have been distorted and misunderstood its achievements forgotten The British anarchist movement during the years 1880 1930 while borrowing from Europe was self actuated and independent with a vibrant tale all its own In The Slow Burning Fuse John Quail shows a history largely obscured and rewritten following 1919 and the triumph of Leninist communism The time has arrived to resurrect the works of the early anarchist clubs their unsung heroes tumultuous political activities and searing manifestos so that a truer image of radical dissent and history can be formed Quail s story of the anarchists is one of utopias created in imagination and half realised in practice of individual fights and movements for freedom and self expression a story still being written today
