

Small Rocks Rising

Robert Thompson (Horticulturist.)

Small Rocks Rising:

Small Rocks Rising Susan Lang, 2002-03-01 In 1929 Ruth Farley a fiercely independent woman homesteads a tract of land in a beautiful canyon in the Southern California desert Determined to live on her own terms and to be free of troubling human attachments Ruth initially rejects the help of the miners and cowboys who are her neighbors and struggles to develop the homestead on her own Gradually however Ruth learns that survival is a far more complicated and dangerous business and the entrapments of love sweeter and more binding than she had ever imagined Determined to take possession of her land Ruth must first face the consequences of her own stubbornness and sensuality and of mindless and terrible violence as well as a bitter fight to stay alive through a harrowing and isolated winter Only then her hard won wisdom forged in unbearable grief and wrenching physical trials can she truly become part of the land she loves so intensely Ruth Farley is a character of exceptional complexity a liberated woman in a time when most women were tied to the home a joyously sexual woman in a culture where most women merely did their duty for the men in their lives a contradictory self centered alienated woman who ultimately learns the true nature of love and community Glory Springs the site of Ruth s homestead is a place of wondrous natural beauty it is also as we follow Ruth s tenuous search for peace and wisdom a place that we recognize that we too seek within our hearts *Small Rocks Rising* is a novel of stunning richness and beauty of memorable characters and unforgettable insight into a woman s secret and passionate soul Felix Fabri Felix Fabri, 1896 Etching & Etchers Philip Gilbert Hamerton, 1880 *History of the Berwickshire Naturalists' Club* Berwickshire Naturalists' Club (Scotland)., 1892 Contains its Proceedings *Report of the Bureau of Mines* Ontario.
