

# HUMAN BODY CHART 25 THE HUMAN BODY

## ALL IN ONE

The human body is everything that makes up, well, you. Made up of hundreds of bones, the skeletal system provides structure, support and movement to the human body. Veins carry blood to the heart and enter the heart through vena cava.

**BRAIN:** The control centre of the body regulates other organ system, control sensory and motor functions.

**TEETH:** Cut, crush and tear food.

**LUNGS:** Supplies oxygen to the blood and removes CO<sub>2</sub> from blood.

**HEART:** Pumps blood throughout the body.

**EYES:** Helps you see the world around you.

**NOSE:** Passage way for air that lets you smell things around you and helps in breathing.

**EARS:** Helps you hear the world around you.

**TONGUE:** Help detect and transmit taste signals to the brain. The tongue is vital for chewing and swallowing food, as well as for speech.

**THYROID:** Controls appetite and metabolism.

**BLOOD:** Transports oxygen and nutrients around the body and removes cellular waste, among a range of vital functions.

**SPLEEN:** Helps to filter out toxins in the blood.

**STOMACH:** Helps in breakage of food.

**INTESTINE:** Helps to digest the food.

**URINARY SYSTEM:** Removes wastes from blood, regulates concentration of body fluids.

**LIVER:** Removes toxins from the blood, produces bile that help in digestion.

**GALL BLADDER:** Collects bile from the liver, and discharges it into the small intestines, where it helps digest fat.

**SKIN:** Protects against injury, infection, and fluid loss; helps regulate body temperature and excretes water, as sweat.

**MUSCLES:** Work with the skeletal and nervous system to produce movement also helps to circulate blood through the human body.

**PANCREAS:** It has two main functions: an exocrine function that helps in digestion and an endocrine function that regulates blood sugar.

**REPRODUCTIVE SYSTEM:** Functions to make new individuals by producing, storing and releasing specialized sex cells known as gametes.

## Be My Human:

**The Human Origins** Valentin Matcas, 2016-04-20 There is more to the human origins development intelligence and civilization than the epic debate Creationism versus Evolution simply because there is more to the human condition than what authorities and ideologies want you to believe Therefore when you study the human origins you have to search beyond the moment when the first humans had detached from the firmament or previous species since there are other significant events in humanity's lifespan and achievement defining its specific timeline While you have to study everything otherwise you risk understanding these significant events only from simplistic empirical or ideological perspectives ending up learning what you already know while following the crowd throughout unending debates Since you want the accurate truth because you already know all theories beliefs speculations and debates regarding the human origins And this is why when you study the human origins you expect to understand everything about the origins of life the nature and origins of this world the nature of the human higher self and intelligence the origins and debut of the human consciousness and human intelligent reasoning along with all details related to the Creator of this entire world of Life and of humanity Additionally it is relevant to know how all these affect you personally and how they affect your family your genetic line and your nation how your family and genetic line originate where and how it happened under what circumstances and with what status and privileges for you for your family for your nation and for the humankind And this is exactly what we cover throughout this book in all details and from all perspectives This book studies the human origins along with the origins of life human intelligence human species human development human society human current civilization along with various past civilizations of Earth integrating humans their origins and their original and current conditions in an elaborate comprehensive model

## Be My Human Introduction

In the digital age, access to information has become easier than ever before. The ability to download Be My Human has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Be My Human has opened up a world of possibilities. Downloading Be My Human provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Be My Human has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Be My Human. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Be My Human. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Be My Human, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Be My Human has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
