assumed a new form becoming increasingly centered around caring for the objects of everyday life objects she was charged with keeping as if they were her own in spite of the legal strictures governing women s property rights Korda deftly shows how their positions in a complex and changing social formation allowed women to exert considerable control within the household domain and in some areas to thwart the rule of fathers and husbands      **Shakespeare's Domestic Tragedies** Emma Whipday,2019-01-03 Reassess the relationship between Shakespeare s Hamlet Othello Macbeth and the emerging genre of domestic tragedy by other early modern playwrights      **The Literary World** ,1881      **Shakespeare's Practical Jokes** David Ellis,2007 Female victims and female jokers The privileges of rank Falstaff The ideal victim How far can you go The triumph over shame Practical jokes and evil practices      *Notes on Shakespeare's Play of King Richard III.* Thomas Duff Barnett,1895      Shakespeareana; a critical and contemporary review of Shakespearian literature ,1888      Knowledge in English Victoria Elliott,2020-12-28 Focusing on a key area of debate within the world of secondary English the knowledge based curriculum this book explores in detail the question of knowledge in the teaching of English in secondary schools drawing on specific concrete cases and a range of academic theories Knowledge in English also investigates how to teach both facts and skills through the required texts to produce a balanced educational experience Elliott brings together classic texts with contemporary knowledge and viewpoints to critically examine teaching in the English literature classroom and situates them within the broader cultural and political context The book includes discussions on race and gender in texts Shakespeare and his influence facts and emotions in poetry and reading experiences Knowledge in English is a foundational and accessible guide for researchers practitioners teacher educators and teachers around the world It is a valuable resource for those involved in the English curriculum to keep the subject relevant and useful to students in the contemporary classroom      The Athenaeum ,1889      *Shakespeareana* ,1893      **Shakespeare's Comedies** Cliffs Notes,1999-02 Finally Summaries and Commentaries for All of Shakespeare s comedies are available in one easy to access volume The Comedy of Errors probably Shakespeare s earliest work features a plot both romantic and melodramatic juggling mistaken identities and the confusion of twins The Two Gentlemen of Verona is peppered with mercurial motivations and bittersweet romance playfully laced with comic resolution Love s Labour s Lost one of Shakespeare s most original plots uses irony and satire to gently mock young lovers inviting us to laugh at our own youthful follies A Midsummer Night s Dream features fairies playing magical havoc with woeful lovers until all is resolved with wedding celebrations and broad comic entertainment by rustic well meaning bumpkins The Merchant of Venice more serious than comedic investigates various attitudes toward money and wealth The Taming of the Shrew relying heavily on physical appearance and visual effect uses mistaken identities puns and a play within a play Whether the shrew is actually transformed through a cunning use of psychology is still debatable Much Ado About Nothing a witty battle of the sexes in more earthy and naturalistic language than some of Shakespeare s other romantic comedies concludes with dancing and a celebration of blissful wedded love As You Like It contains the evergreen
