This report describes a proposal by the Carnegie Foundation for the Advancement of teaching for a service requirement for high school students that would involve them in work in the community or at school The objective of such a program would be to let young people know that they are needed and help students see a connection between what they learn and how they live The publication contains both a theoretical explanation and case studies of student service programs already in operation

David O. Sacks,Peter A. Thiel,1995 This is a powerful exploration of the debilitating impact that politically correct multiculturalism has had upon higher education and academic freedom in the United States In the name of diversity many leading academic and cultural institutions are working to silence dissent and stifle intellectual life This book exposes the real impact of multiculturalism on the institution most closely identified with the politically correct decline of higher education Stanford University Authored by two Stanford graduates this book is a compelling insider s tour of a world of speech codes dumbed down admissions standards and curricula campus witch hunts and anti Western zealotry that masquerades as legitimate scholarly inquiry Sacks and Thiel use numerous primary sources the Stanford Daily class readings official university publications to reveal a pattern of politicized classes housing budget priorities and more They trace the connections between such disparate trends as political correctness the gender wars Generation X nihilism and culture wars showing how these have played a role in shaping multiculturalism at institutions like Stanford The authors convincingly show that multiculturalism is not about learning more it is actually about learning less They end their comprehensive study by detailing the changes necessary to reverse the tragic disintegration of American universities and restore true academic excellence **Proceedings of the Annual Encampment** Veterans of Foreign Wars of the U.S. California, "**Code of Massachusetts regulations, 1991**" ,1991 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Social Service Review** ,1919 **Catalog of State Services** California.
