Handbook on the Economics and Management of Sustainable Oceans Paulo A.L.D. Nunes,Lisa Emelia Svensson,Anil Markandya,2017-02-24 The trans disciplinary thematic areas of oceans management and policy require stocktaking of the state of knowledge on ecosystem services being derived from coastal and marine areas Recently adopted Sustainable Development Goals SDGs especially Goals 14 and 15 explicitly focus on this This Handbook brings together a carefully chosen set of world class contributions from ecology economics and other development science and attempts to provide policy relevant scientific information on ecosystem services from marine and coastal ecosystems nuances of economic valuation relevant legal and sociological response policies for effective management of marine areas for enhanced human well being The contributors focus on the possible nexus of science society and science policy with the objective of informing on decision makers of the governmental agencies business and industry and civil society in general with respect to sustainable management of Oceans Wall Street, Reforming the Unreformable David E McClean,2015-10-06 McClean argues that a collective move towards stewardship within the financial industry is necessary to restore ethical behaviour and public confidence Drawing on practical examples and offering new policy recommendations this unique philosophical study paints a picture of what a truly ethical trading culture of the future might look like The Politics and Governance of Basic Education Brian Levy,Robert Cameron,Ursula Hoadley,Vinothan Naidoo,2018-09-05 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations All over the world economic inclusion has risen to the top of the development discourse A well performing education system is central to achieving inclusive development but the challenge of improving educational outcomes has proven to be unexpectedly difficult Access to education has increased but quality remains low with weaknesses in governance comprising an important part of the explanation The Politics and Governance of Basic Education explores the balance between hierarchical and horizontal institutional arrangements for the public provision of basic education Using the vivid example of South Africa a country that had ambitious goals at the outset of its transition from apartheid to democracy it explores how the interaction of politics and institutions affects educational outcomes By examining lessons learned from how South Africa failed to achieve many of its goals it constructs an innovative alternative strategy for making process combining practical steps to achieve incremental gains to re orient the system towards learning The Every Student Succeeds Act (ESSA) Frederick M. Hess,Max Eden,2021-03-09 In this foundational book Frederick M Hess and Max Eden bring together a cross section of respected academics and journalists to examine key aspects of the Every Student Succeeds Act ESSA This volume provides a thematic and in depth analysis of the central provisions of this landmark legislation presenting a range of perspectives The contributors leading researchers policy analysts and journalists explore the conflicts and compromises that shaped the emerging law outline its core provisions and

trace its implications for urban districts states and the federal government Complementing these descriptions are chapters presenting opposing viewpoints on the law's merits and its ramifications for future reform efforts Enacted in December 2015 ESSA represents a major shift of the federal role in education and its provisions touch on almost every aspect of education policy Yet it arrived in something of a whirlwind and scholars advocates and policy makers are struggling to make sense of this new act By bringing together leading thinkers to make sense of this important law The Every Student Succeeds Act provides a solid foundation for scholars advocates and policy makers as they begin to navigate a new era in education policy
