Skewed Throne:

The Skewed Throne Joshua Palmatier, 2025-09-01 When the White Fire passed through the city of Amenkor a thousand years ago it brought insanity and ruin until the death of the Mistress the ruler of Amenkor and the wielder of the Skewed Throne Now the ethereal Fire has come again beginning the same spiral of destruction once more And it has touched everyone Including Varis a young girl barely surviving in the slums of the city Able to see the world in a wash of reds and grays she can sense danger and evil in others the only thing keeping her alive When the White Fire comes again it changes her as it changes everyone in the city The slums become even more dangerous as the city and its Mistress begin to sink into madness In response Varis is forced to become an assassin trained and guided by Erick one of the Seekers the elite guard of the Mistress and protectors of the Skewed Throne But what can gutterscum like Varis do to stop the destruction of everything she has ever known The only thing that worked the last time The Mistress of Amenkor must die Praise for The Skewed Throne This novel grips the reader with a swift moving tale of political intrigue and economic survival in a world where the most dangerous secrets are never forgotten Publishers Weekly The Skewed Throne is A gritty edgy unsettling book This tough young woman makes her choices in a world where good and evil often look like twins I was riveted by her story

Tamora Pierce New York Times bestselling author of the Song of the Lioness series **The Vacant Throne** Joshua Palmatier, 2008-01-02 The city of Amenkor has stood for well over a thousand years as a premier trading center Ruled by the Mistress of the Skewed Throne Amenkor has weathered attacks by invaders and the madness drought famine and disease brought by the mysterious White Fire But now betrayed from within and barely surviving a devastating attack by the mysterious Chorl Amenkor reels on the brink of ruin In Amenkor s time of greatest need Varis raised in the slums of the city and trained not only to survive but to kill at need has unwillingly become the ruler of the city the new Mistress of the Skewed Throne Untrained unprepared and not certain who she can trust Varis takes the Throne at one of the most perilous points in Amenkor s long history and is forced to draw on all of Amenkor s limited resources both ordinary and magical when the Chorl invade And perhaps the price Varis pays is too high as the very heart and soul of Amenkor s power the Skewed Throne is destroyed during the final desperate confrontation with the invaders Now with the threat of the Chorl s return still hanging over them Varis has no choice but to turn to Amenkor s sometime ally the city of Venitte home to the only other throne that is a repository of magical power Yet Varis and the people of Amenkor are not the only ones looking toward Venitte The Chorl invaders are on the march and whether Venitte will fare any better against the Chorl than Amenkor remains to be seen

The Cracked Throne Joshua Palmatier, 2007-11-06 Varis learned to survive as a very young child in the slums of Amenkor And when the mysterious White Fire swept through the city for the second time in a millennium bringing madness drought famine and disease to the land Varis survived that as well But she was changed by the Fire s spell and she was not the only person marked by the White Fire Eryn Mistress of the Skewed Throne still reigned over the city after the Fire s passing Yet

from that moment Amenkor began a steady decline and Eryn herself seemed to hover on the edge of madness As Amenkor deteriorated Varis came to the attention of some of the most powerful people in the city people who could see her unique potential And she found herself transformed from gutterscum to unofficial Seeker to bodyguard to assassin Yet none of her skills could save her from a destiny she never wanted Varis became the new Mistress of the Skewed Throne Untrained unprepared not certain who she could trust Varis took the Throne at the most perilous point in Amenkor s history The city was on the brink of starvation and the trading ships sent out to bring back supplies had disappeared without a trace And both Varis and Eryn were obsessed with a vision they alone had shared Amenkor invaded by an unknown enemy the harbor watchtowers destroyed wrecked ships sinking in waters stained red with blood the city itself engulfed in flames **The Throne of Amenkor** Joshua Palmatier,2017-11-14 The Throne of Amenkor Trilogy omnibus brings together The Skewed Throne The Cracked Throne and The Vacant Throne for the first time One young girl holds the fate of a city in her hands If she fails it spells her doom and the end of her world Twice in the history of the city of Amenkor the White Fire had swept over the land Over a thousand years ago it came from the east covering the entire city touching everyone leaving them unburned but bringing madness in its wake a madness that only ended with the death of the ruling Mistress of the city Five years ago the Fire came again and Amenkor has been spiraling into ruin ever since The city s only hope rests in the hands of a young girl Varis who has taught herself the art of survival and has been trained in the ways of the assassin Venturing deep into the heart of Amenkor Varis will face her harshest challenges and greatest opportunities And it is here that she will either find her destiny or meet her doom **Skewed Throne** Joshua Palmatier,2006 **A Practical Treatise on Segmental and Elliptical Oblique Or Skew Arches, Setting Forth the Principles and Details of Construction in Clear and Simple Terms** George Joseph Bell,1896 Here George Joseph Bell makes available the results of his calculations for 72 oblique bridges designed to suit almost any situation in spans from 10 feet to 50 feet advancing by 5 feet and from 35 degrees to 70 degrees advancing by 5 degrees Skew Arches Edward Wyllys Hyde,1875 *Descriptive Statistics of Tree Crown Condition in the Southern United States and Impacts on Data Analysis and Interpretation* KaDonna C.
