Sky For Henry:

Henry's Walk Kane Simpson, 2013-10-22 Henry falls into a dream like state of consciousness which allows him to travel the inner workings of his mind From a feeling of pointlessness and realising that he had spent his time on Earth striving without contemplation Henry embarks on a journey of self discovery and understanding Despite finding a friendly companion and being hounded by a wild animal presence Henry continues on his journey alone He understands that the path he is walking down is only wide enough for a single person Henry's Walk is a surreal journey of self discovery filled with people and environments that manifest the many unrealised oddities of life **Before Tomorrowland** Jeff Jensen, 2015-04-07

Based on the spellbinding world of the Walt Disney Studios film Tomorrowland this original prequel novel unlocks a place of unfathomable science and technology and the famous people behind it The year is 1939 A secret society of extraordinary geniuses is about to share an incredible discovery with the world A misguided enemy half man half machine will stop at nothing to prevent the group from giving this forbidden knowledge to humanity And a mother and son on vacation in New York City are handed a comic book infused with a secret code that will lead them straight into the crossfires of the conspiracy Don't forget to download the FREE comic book companion *The Secret History of the World of Tomorrowland* **Dry Rain**
