

Skyscrapers A Project For Young People

JL Elias

Skyscrapers A Project For Young People:

Children and Young People's Participation in Child Protection Katrin Križ, Katrin Križ, Mimi Petersen, 2023 This book features pathways to children and young people's collective participation in changing child protection policies and services in multiple countries It showcases concrete examples of participatory research and practices promoting children and young people's participation in child protection It highlights the change actions and voices of empowered and marginalized children and youth in various international contexts *Skyscrapers: A Project Book for Young People* Anne MacGregor, 1981

Skyscraper Settlement Joyce Milambiling, 2023-09-19 The roles that Christodora House has played from 19th century settlement house to its newest forms Settlement house workers helped transform the lives of thousands of people despite lack of funding the influenza epidemic of 1918 economic depressions and two World Wars Many of these houses still exist in the original neighborhoods where they confront the problems of today and advocate for their communities Christodora House founded in 1897 as The Young Women's Settlement played an important role in the life of immigrants and other residents on the Lower East Side of Manhattan For over 50 years residents and volunteers at Christodora House provided classes clubs recreational activities and medical and dental clinics for thousands of New Yorkers and then continued to operate programs out of public housing and other locations for more than two decades The building at 143 Avenue B now housing condominiums has had a tumultuous history since 1948 but still stands towering over its tenement neighborhood in the East Village Christodora Inc is now a nonprofit foundation with offices in Midtown Manhattan whose staff works with underserved New Yorkers including youth in the public school system carrying on a long distinguished history of service to the city and country **The Bookseller**, 1980 **Skyscraper Rooftops** Jacob Smith, AI, 2025-02-19 Skyscraper Rooftops unveils the untapped potential of urban rooftops as crucial spaces for urban sustainability and architectural innovation Moving beyond mere functional areas these elevated spaces are transforming into observatories gardens and hubs for sustainability projects The book highlights how adapting rooftops contributes to urban agriculture biodiversity and the reduction of the urban heat island effect while also exploring how these spaces can foster community engagement and enhance quality of life The book progresses from introducing the adaptive rooftop concept and its design considerations to examining rooftop gardens and sustainability projects Through case studies and data it demonstrates the effectiveness of rooftop technologies in energy savings and carbon emission reduction By presenting a solution oriented approach the book emphasizes the technical economic and social factors influencing successful rooftop transformations offering urban planners and architects a roadmap for integrating these spaces into comprehensive urban planning strategies *Skyscraper Jails* Zhandarka Kurti, Jarrod B. Shanahan, 2025-03-11 A damning account of the latest transformation in mass incarceration revealing how powerful nonprofits and so called progressives used the language of social movements to build new jails In 2019 after unyielding pressure from activists New York City seemed poised to close the detested Rikers Island penal colony The local press

dutifully reported that the end of Rikers was imminent and New Yorkers celebrated the closure of the country's largest urban jail condemned as a moral stain on an otherwise great city. The problem however was that the city had not actually committed to closing Rikers. And at the same time it laid the groundwork for the construction of more jails: a network of skyscraper facilities amounting to the largest carceral construction the city has seen in decades. How did this happen? In *Skyscraper Jails*, scholars and organizers Jarrod Shanahan and Zhandarka Kurti detail how progressive forces in New York City appropriated the rhetoric of social movements and social justice to promise downsized and humane jails. The principal advocates of these new jails were not right wing politicians but prominent city activists and progressive non profit organizations. As the political coalition that campaigned for the new jails fans out across the United States, the story at the heart of *Skyscraper Jails* is at once a case study and a cautionary tale for what will be coming to cities and towns across the United States and beyond.

Teaching Children Mathematics, 1996 **Bookseller and the Stationery Trades' Journal**, 1981 *Black Movement*
Jeffrey O. G. Ogbar, 2025-04-14 The Great Migration of African Americans from the South to northern and western cities between 1915 and 1970 fundamentally altered the political, social and cultural landscapes of major urban centers like New York, Chicago, Philadelphia and Detroit and changed the country as well. By the late twentieth century, Black people were mayors, police chiefs and school superintendents often at parity and sometimes overrepresented in municipal jobs in these and other cities which were also hubs for Black literature, music, film and politics. Since the 1970s, migration patterns have significantly shifted away from the major sites of the Great Migration where some iconic Black communities have been replaced by mostly non Black residents. Although many books have examined Black urban experiences in America, this is the first written by historians focusing on the post Great Migration era. It is centered on numerous facets of Black life including popular culture, policing, suburbanization and political organizing across multiple cities. In this landmark volume, Jeffrey O. G. Ogbar and his contributors explore the last half century of African American urban history, covering a landscape transformed since the end of the Great Migration and demonstrating how cities remain dynamic into the twenty first century. Contributors are Stefan M. Bradley, Scot Brown, Tatiana M. F. Cruz, Tom Adam Davies, LaShawn Harris, Maurice J. Hobson, Shannon King, Melanie D. Newport, Jeffrey O. G. Ogbar, Brian Purnell, J. T. Roane, Chanelle Rose, Benjamin H. Saracco and Fiona Vernal.

Blueprints, 1997 **Major Authors and Illustrators for Children and Young Adults** Laurie Collier, Joyce Nakamura, 1993 Contains updated and revised sketches on nearly 800 of the most widely read authors and illustrators appearing in Gale's *Something about the author* series **Young People's Encyclopedia of the United States** William E. Shapiro, 1997-12 This encyclopedia contains nearly 250,000 words and covers topics ranging from science, history and geography to sports, conservation and show business *Canadian Book Review Annual*, 1995 *Metropolis*, 1994 **Subject Catalog of the Institute of Governmental Studies Library, University of California, Berkeley** University of California, Berkeley. Institute of Governmental Studies. Library, 1971 *Job Creation in the UK* Graham Todd, 1986 Survey of local
