## **Slave Revelation:**

*Slavery and Sin* Molly Oshatz, 2011-11-23 Molly Oshatz reveals the antislavery origins of liberal Protestantism arguing that the antebellum slavery debates forced antislavery Protestants to develop new understandings of truth and morality and apply the theological lessons of antislavery to the challenges posed by evolution and historical biblical criticism *Social Justice and the Legitimacy of Slavery* Ilaria Ramelli, 2016 Were slavery and social injustice leading to dire poverty in antiquity and late antiquity only regarded as normal natural Aristotle or at best something morally indifferent the Stoics or in the Christian milieu a sad but inevitable consequence of the Fall or even an expression of God's unquestionable will *Social Justice and the Legitimacy of Slavery* shows that there were also definitive condemnations of slavery and social injustice as iniquitous and even impious and that these came especially from ascetics both in Judaism and in Christianity and occasionally also in Greco Roman pagan philosophy Ilaria L E Ramelli argues that this depends on a link not only between asceticism and renunciation but also between asceticism and justice at least in ancient and late antique philosophical asceticism Ramelli provides a careful investigation through all of Ancient Philosophy not only Aristotle and the Stoics but also the Sophists Socrates Plato the Neoplatonists and much more Ancient to Rabbinic Judaism Hellenistic Jewish ascetic groups such as the Essenes and the Therapeutae all of the New Testament with special focus on Paul and Jesus and Greek Latin and Syriac Patristic from Clement and Origen to the Cappadocians from John Chrysostom to Theodoret to Byzantine monastics from Ambrose to Augustine from Bardaisan to Aphrahat without neglecting the Christianized Sentences of Sextus In particular Ramelli considers Gregory of Nyssa and the interrelation between theory and practice in all of these ancient and patristic philosophers as well as to the parallels that emerge in their arguments against slavery and against social injustice **A Story of the Soul's Journey in the Nag Hammadi Library** Ulla Tervahauta, 2015-08-19 Authentikos Logos NHC VI 3 also known as Authoritative Teaching is a little studied story of a soul's descent and ascent in the Nag Hammadi library With her book Ulla Tervahauta fills a gap in the scholarship and provide the first monograph length study that has this writing as its primary focus The aim is to find a place and context for Authentikos Logos within early Christianity but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries Tervahauta discusses the story of the soul's journey in light of various Christian and Platonic writings Also she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions And although a Platonic mind set can be assumed the writing combines motifs in a unique manner For example the four epithets used in the writing the invisible soul the pneumatic soul the material soul and the rational soul are not found thus combined elsewhere Discussion of matter hyle is connected with Christian scriptural allusions and the focus is

on ethics and the evilness of matter The body on the other hand is the soul's place of contest and progress The Pauline term pneumatic body 1 Cor 15 44 is used allusively and from a Platonic perspective With this book Ulla Tervahauta makes an important contribution to the study of early Christianity in late ancient Egypt by discussing a writing that shows knowledge and creative combination of literary traditions that circulated in late ancient Egypt
