C. Herring's Materia Medica with a Pathological Index Constantine

Hering, 1873 Is Your Doctor Keeping You Sick? Dr Lenny Da Costa, 2023-01-05 We have an abundance of food but are malnourished It's time to know why and correct it Our food is our medicine but it is also our poison if we understand this and use it we can prevent chronic diseases like heart disease diabetes cancer etc and live a healthy life Modern medicine has perhaps failed us in these times by overly relying on research presented by the big pharma companies and the recommendations or protocols for management derived from there It has been ignoring tons of research available in teaching institutions across the world in many allied fields and basic medical sciences that can be used to reverse many ageing problems and chronic diseases Thus the question Is your doctor keeping you sick Today we can spot very early disturbances that can help us prevent chronic disease by doing the right lab investigations investigations that are available but not done as modern medicine does not know how to handle the results Functional medicine is the way forward It has helped me nurse thousands of patients back to good health over the last 15 years

**Timeless Secrets of Health and Rejuvenation**

Andreas Moritz, 2005-02 What actually causes disease The answer might be surprising In this new edition of his best selling book The Key to Health and Rejuvenation Andreas Moritz reveals the most common but rarely recognized reasons responsible for illness and aging and how to achieve continuous vibrant health Andreas puts the responsibility of basic health care back into the hands of the individual He states Healing occurs effortlessly and naturally once the conditions that are required for the body to return to its most natural state balance and efficiency have been met The basic theme is the relative ease involved in creating good health While physicians attempt to combat or subdue illness they know very little about employing the mind and body to actually heal a person The book includes a complete self help program part of which is derived from the ancient medical system of Ayurveda In addition this book is packed with useful information on all major

health issues and effective methods of cleansing the blood liver and gallbladder intestines kidneys blood vessels lymphatic system and body tissues The nearly 500 pages divided into 15 chapters explain everything about the mystery of mind and body the laws of health and illness the risk factors of common diseases the diagnostic parameters the most common causes of disease and how to remove them the basic misconceptions people and doctors have about health and wellness and the journey to lifelong health and spiritual happiness Neither conventional nor alternative forms of medicine provide the population with the basic practical steps to remove the root causes of illness and use practical measures of health promotion as a primary approach of treatment Timeless Secrets of Health and Rejuvenation fills this gap by showing you how to employ your body's own healing powers to bring balance and harmony into all aspects of your life Overall this book is the bible of good health happiness and rejuvenation for those who long for a balanced lifestyle *Materia medica* Constantine
