The Diamond Fairy Book Various, More Stories and Other Stuff for Kids of All Ages Judy Wolfman, 2019-01-30 Children of all ages enjoy hearing a story read to them sometimes the same one over and over Reading aloud is more than reading words It involves some simple theatrical skills by using your voice to sound like a character in the story This makes the story come alive and is more interesting to the child The stories in this book are appropriate for all ages from preschool through adulthood Some of the stories are funny or silly some may touch a child s heart and some provide information a child may not know But all of the stories are enjoyable There may be times when reading a story is not possible like while driving a car or walking through a store That s when the story can be told using your own creative adaptations Whether you read or tell a story make it a fun time for you both Enjoy the stories
