## **The Irish Magdalen:**

*Origins of the Magdalene Laundries* Rebecca Lea McCarthy, 2010-03-08 The convents asylums and laundries that once comprised the Magdalene institutions are the subject of this work Though originally half way homes for prostitutes in the Middle Ages these homes often became forced labor institutions particularly in Ireland Examining the laundries within the context of a growing world capitalist economy the work argues that the process of colonization and of defining a national image determined the nature and longevity of the Magdalene Laundries This process developed differently in Ireland where the last laundry closed in 1996 The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization from an affluent strong supporter of Jesus to a simple fallen woman **Ireland and the Magdalene**

**Laundries** Claire McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care

*Experience, Identity & Epistemic Injustice within Ireland's Magdalene Laundries* Chloe K. Gott, 2022-02-10 How are the identities of women shaped by religious disciplinary processes in Magdalene laundries and how do women re-engage with their sense of self after leaving the institutions Chlo K Gott situates these questions within the current cultural climate in which the institutions now sit considering how they fit into Ireland's present as well as its past This book represents the first significant secondary analysis to be conducted of 81 oral history interviews recorded as part of the Government of Ireland Collaborative Research project Magdalene Institutions Recording an Archival and Oral History funded by the Irish Research Council These were taken with women formerly incarcerated in these institutions as well as others associated with this

history Grounded in qualitative analysis of this archive the book is structured around the voices and words of survivors themselves With a strong focus on how the experience of being incarcerated in a Magdalene laundry impacted on the gendered religious selves of the women this book tracks the process of entering working in and leaving a laundry explored through the lens of epistemic injustice **The Irish Magdalen** John Broderick,1991 Canon Sharkey a priest in the little Irish town of Bridgeford in 1934 becomes the subject of gossip throughout the town when his housekeeper suddenly dies and he chooses as her replacement a young woman whose sister has a reputation as the town whore *The Irish Monthly* ,1891

**The Irish Church directory** ,1897 **The Irish Monthly Magazine** ,1883 **Irish Monthly Magazine** ,1891

*The Magdalen* Marita Conlon-McKenna,2014-08-28 Esther Doyle is a young Irish girl growing up in a small fishing community in Connemara in the 1950s Her life is a stable one bound by the slow rhythms of farming life and the joy of looking after her handicapped sister Nonie But her existence is horribly changed when she becomes pregnant and is sent to the home for fallen women in Dublin the Magdalen Laundry **Young Ireland** ,1882 **Live of the Irish Saints, with Special Festivals, and the Commemorations of Holy Persons** O'Hanlon John Canon (Irish Catholic priest),1873

**Ireland's Magdalen Laundries and the Nation's Architecture of Containment** James M. Smith,2007-09-01 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society Mandated by the Irish state beginning in the eighteenth century they were operated by various orders of the Catholic Church until the last laundry closed in 1996 A few years earlier in 1993 an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer The remains of 155 inmates buried in unmarked graves on the property were exhumed cremated and buried elsewhere in a mass grave This triggered a public scandal in Ireland and since then the Magdalen laundries have become an important issue in Irish culture especially with the 2002 release of the film *The Magdalene Sisters* Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996 Ireland's Magdalen Laundries and the Nation's Architecture of Containment offers the first history of women entering these institutions in the twentieth century Because the religious orders have not opened their archival records Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story cultural representation and survivor testimony rather than history archival history and documentation Addressed to academic and general readers alike James M Smith's book accomplishes three primary objectives First it connects what history we have of the Magdalen laundries to Ireland's architecture of containment that made undesirable segments of the female population such as illegitimate children single mothers and sexually promiscuous women literally invisible Second it critically evaluates cultural representations in drama and visual art of the laundries that have over the past fifteen years brought them significant attention in Irish culture Finally Smith challenges the nation church state and society to acknowledge its complicity in Ireland's Magdalen scandal and to offer redress for victims and survivors alike Coomassie and Magdalena:

the Story of Two British Campaigns in Africa Henry M. Stanley, 1874      The Irish Monthly , 1915      **The Magdalen** Marita Conlon-McKenna, 1999 The wide open spaces of Connemara filled with nothing but sea and sky are all lost to Esther Doyle when she is betrayed by her lover Conor Rejected by her family she is sent to join the fallen women of the Holy Saints Convent in Dublin where behind high granite walls she works in the infamous Magdalen laundry while she awaits the birth of her baby At the mercy of nuns and working mostly in silence alongside the other Maggies Esther spends her days in the steamy sweatshop atmosphere of the laundry It is a grim existence but Esther has little choice the convent is her only refuge and its orphanage will provide shelter for her newborn child Yet despite the harsh reality of her life Esther gains support from this isolated community of women Learning through the experiences and the mistakes of the other Maggies she begins to recognize her own strengths and determination to survive She recognizes too that it will take every ounce of courage to realize her dream of a new life for her and her child beyond they grey walls of the Holy Saints Convent      Prostitution and Irish Society, 1800-1940 Maria Luddy, 2007-12-13 The first book to tackle the controversial history of prostitution in modern Ireland      *The crown history of England* Charles Knight, 1870      *The Irish Church Acts, 1869 & 1872* William Leigh Bernard, 1876      **Thom's Official Directory of the United Kingdom of Great Britain and Ireland for the Year ...** , 1898      The Irish Church Acts, 1869&1872, and Various Statutes Connected Therewith ...
