**to Navigate the Minefield That Is Dementia with Your Loved One** Susan Wilson Krechel MD,2021-05-06 How to Navigate the Minefield That Is Dementia with Your Loved One A Guide Born of Experience is a book that I felt called to write As a physician and one well versed in geriatrics I thought I knew how to navigate the system to get dementia care for my husband I was very wrong Dementia is a worldwide epidemic At the moment there is no cure Our understanding of the disease process is incomplete and appears multifactorial Everyone knows or loves someone who has been afflicted with it The very thought of dementia is met with fear and avoidance Little information is available to the lay public This book is written for a lay audience In my view knowledge is power and my goal is to empower the general public with basic knowledge of the disease and what steps can be taken to deal with it with confidence It is written in three parts Part 1 is a memoir designed to introduce you to Ollie and I and tell the story of what we experienced in our journey both before and during the dementia years Part 2 is a scientific literature review written in lay terms describing the most common types of dementia and the most up to date information on diagnosis cause prevention and treatment References are provided mostly from 2018 through 2020 The third part is designed to help the caregiver understand where and how to get help for loved ones without destroying

themselves both physically and financially This is a book that will help you if you are already caring for a dementia patient It may help you even more if you are not yet in that situation because you will need this information along the way in your life journey    **Torn: the Melissa Williams Story** Ella Campbell,2011-01-19 Melissa Williams a small town Alabama girl takes you on her journey as she goes through a very difficult time in her life Although her high school years were quite memorable there is one moment in time that stands out more than others Melissa and three of her closest friends often find themselves hanging out at night clubs The fact that it was usually on school nights didn t matter much to them But on one night in particular they return to the Club after having left already and this one decision changes Melissa s life forever Because of her troubled past she struggles in relationships with men But just when she thinks she has it all figured out an accusation of infidelity causes her to question herself even more She doesn t know what to do about it nor does she know where to turn for advice Melissa s faith in God is put to the test when that accusation forces her to deal with a seemingly corrupted legal system in Florida Just like many of us Melissa wants to do the right things and make better choices but she keeps finding herself going around in circles and ending up with the same results Although she is somewhat limited she doesn t limit herself to other possibilities of happiness Will she choose the path of least resistance or will she continue on a path that keeps her torn and caught in the middle After reading this book you will begin to look at your own life s struggles in the same way that Melissa had to eventually do Although Melissa s decisions may not have all worked in her favor at the time she learned how to depend on the people that God placed in her path    **The It's Just Lunch Guide to Dating in Baltimore**
