The Jaded Truth:

The Jaded Truth RP Folsom,2001-09-18 When Stanley Logan called on Nick to go to Mexico to find his son Nick at first thought the old man was over reacting This action adventure novel sends our hero Nick Farrell deep into Mexico to find Jack Logan his missing friend He not only finds his missing friend but much more as together they discover and become involved in a conspiracy which involves the smuggling of very rare very old very exotic archeological artifacts The fact that some believe these artifacts contain certain magical powers adds to their allure and makes them very valuable valuable beyond money The further Nick searches the more he uncovers and when he ultimately finds himself in possession of the Little Queen he inadvertently becomes the hunted He soon finds himself obsessed by this magical Little Queen and tries to learn more However the more he learns the more danger he must face and he soon finds himself hopelessly but voluntarily facing a violent world of smuggling kidnapping stolen military secrets and the CIA Nick finds that he has put not only himself in danger but others as well as he tries to solve a mystery that always seems just a little beyond his grasp After chasing all over Mexico and into Southern California the trail finally culminates at the beginning of time itself As if by fate he is uncontrollably drawn to the ancient world of Maya astronomy mythology and superstitions in order to solve this mystery He as well is challenged to learn the Maya truths they as pertain to the beginning of the world and the true meanings of life The deeper Nick finds himself involved the more he wants to know until finally he tries to learn it all This journey to find the truth is more than Nick bargained for as he is taken on a mysterious path and transcends reality as he knows it to find new concepts and truths *The Real Malay* Sir Frank Athelstane Swettenham,1900 Truth ,1883 **The Realm of Truth** Elizabeth Catherine Thomas Carne,1873 **The Watchmen'S Chronicle** Michael Tsaphah,2017-03-08 Raymond Mitchell Moore was once a Marine sniper and CIA assassin The United States is now known as the Republican Occupied Majority European States of America and an emperor named Natal Apollyon Vicar rules it Respected for his service to his country Raymond is given the job of Natal's press secretary never expecting he would soon be tried for treason Raymond is caught and imprisoned for leaking a blog called The Watchmen Chronicle His enemies are high up in the government Secret Service agents and even his nemesis the Reverend Maximus Coven Coven was once part of a secret prophetic society called the Watchmen Intercessory Counsel which forewarned about Natal's meteoric rise to power Now one hundred years old Raymond awaits trial for treason but while rotting in prison he writes an important journal about how Natal's family came to power and how he met them As it turns out Raymond is much more than a press secretary he was once given the task of raising a boy who would become the antichrist Raymond has protected Natal all his life so is he guilty or innocent of doing something awful and in whose eyes **Photography** ,1891 **In His Name** E.
