The Japanese and Europe Bert Edstrom, 2013-04-03 Not another misunderstandings and misconceptions volume but a wide ranging review of intellectual traditions mutual and alternative images and case studies of people and events that mirror the focus of this book

Japan and the Specter of Imperialism M. Anderson, 2009-10-12 Japan and the Specter of Imperialism examines competing Japanese responses to the late nineteenth century unequal treaty regime as a confrontation with liberal imperialism including the culture and gender politics of US territorial expansion into the Pacific

Frames of Anime Tze-Yue G. Hu, 2010-04-01 *Frames of Anime* provides a wonderfully concise and insightful historical overview of Japanese animation more importantly Tze yue G Hu also gives the reader a much needed frame of reference cultural and historical for understanding its development Harvey Deneroff Savannah College of Art and Design Atlanta Georgia This is a valuable study that transcends most of its predecessors by situating Japanese anime in its cultural context and providing detailed insight into the lives and works of some of Japan s most prominent animators and their struggles to establish it as a legitimate form of cinema and television media Its authorship by an Asian scholar also conversant with Chinese and Southeast Asian cinema and comic book culture gives it a unique comparative character John Clammer United Nations University Japanese anime has long fascinated the world and its mythical heroes and dazzling colors increasingly influence popular culture genres in the West Tze yue G Hu analyzes the language medium of this remarkable expressive platform and its many socio cultural dimensions from a distinctly Asian frame of reference tracing its layers of concentric radiation from Japan throughout Asia Her work rooted in archival investigations interviews with animators and producers in Japan as well as other Asian animation studios and interdisciplinary research in linguistics and performance theory shows how dialectical aspects of anime are linked to Japan s unique experience of modernity and its cultural associations in Asia including its reliance on low wage outsourcing Her study also provides English readers with insights on numerous Japanese secondary sources as well as a number of original illustrations offered by animators and producers she interviewed

Germany and the Imagined East Lee M. Roberts, 2009-01-14 German speaking Europe is an array of images that have emerged from varied discourses about itself and its neighbors and *Germany and the Imagined East* revolves around the exchange of views on and in the vast construct called the East The world has been divided conceptually in countless ways but the works in this volume treat aspects of Germany as both part of and also separate from any perception of an eastern border From the former German Democratic Republic East Germany to sterreich whose name loses its eastern association in the English version Austria the East begins within the very world of the German language But it is also the expanse off to the right of Germany within which essays in this collection treat such political and cultural distinctions as former Yugoslavia Romania and Russia in Eastern Europe or Turkey and Persia in the Near East spreading through India to China and Japan in the Far East With a variety of perspectives on literature film philosophy architecture music and history these essays comprise a multidisciplinary

collage that invites scholars from all departments to explore the wealth of insights German Studies has to offer on East West relations Turning Points in Japanese History Bert Edstrom,2013-12-16 So called turning points or defining moments are both the oxygen and grid lines that historians and researchers seek in plotting the path of social and political development of any country In the case of Japan the ninth Conference of the European Association of Japanese Studies provided a unique opportunity for leading scholars of Japanese history politics and international relations to offer an outstanding menu of turning points many addressed for the first time over 20 of which are included here Thematically the book is divided into sections including Medieval and Early Modern Japan Japan and the West Contested Constructs in the Study of Tokugawa and Meiji Japan Aspects of Modern Japanese Foreign Policy and Democracy and Monarchy in Post War Japan **The European Union's Security Relations with Asian Partners** Thomas Christiansen,Emil Kirchner,See Seng Tan,2021-05-11 This wide ranging book analyses EU Asia security relations in a systematic substantive and comparative manner The contributions assess similarities and differences between the EU and its Asian partners with respect to levels of threat perception policy response and security cooperation in the context of historical institutional and external factors such as the influence of the United States The book presents original empirical research organised in four parts a number of contributions providing discussions of the global context in which EU Asia security relations develop a series of chapters covering the range of dimensions of EU Asian security including both traditional and non military aspects of security chapters addressing the specific issues touching on bilateral relations between the EU and its partners in the Asia Pacific region and a final part presenting the overall findings across the various contributions together with the future outlook for EU Asia security relations **The Europeanization of French Foreign Policy** R. Wong,2005-12-16 This study examines the record of French and EU interactions with China Japan and Vietnam in the areas of economic exchanges political security relations and human rights to establish if there has been a trend of converging European politics and collective European conceptions of interest and identity It argues that the utility and impact of EU institutions on French foreign policy behaviour is more significant than is commonly imagined or admitted and that foreign policies of EU member states tend over the long term towards convergence **Japan Political Research** ,1999 **G.K.
