The Jersey Shore:

The Jersey Shore Dominick Mazzagetti, 2018-06-20 In *The Jersey Shore* Dominick Mazzagetti provides a modern re telling of the history culture and landscapes of this famous region from the 1600s to the present The Shore from Sandy Hook to Cape May became a national resort in the late 1800s and contributes enormously to New Jersey s economy today The devastation of Hurricane Sandy in 2012 underscored the area s central place in the state s identity and the rebuilding efforts after the storm restored its economic health Divided into chronological and thematic sections this book will attract general readers interested in the history of the Shore how it appeared to early European explorers how the earliest settlers came to the beaches for the whaling trade the first attractions for tourists in the nineteenth century and how the coming of railroads and ultimately automobiles transformed the Shore into a major vacation destination over a century later Mazzagetti also explores how the impact of changing national mores on development race relations and the environment impacted the Shore in recent decades and will into the future Ultimately this book is an enthusiastic and comprehensive portrait by a native son whose passion for the region is shared by millions of beachgoers throughout the Northeast [Down the Shore](#) Bob
