**The Jeweled Daughter** Anne Maybury, 1977      **Brahmapurāṇa** Renate Söhnen, Renate Söhnen-Thieme, Peter Schreiner, 1989      **Mani-mañjari, The Jewel Blossom** Narayana Pandita Acarya, 2025-02-26

Ma i ma jar is primarily a simple if at times acerbic storybook Written in Sanskrit couplets it briefly summarizes the Pur ic histories of r R ma and r K a in its first four chapters and spends the fifth on the Bha a brothers Kum ra more commonly known as Kum rila and N r ya a est 700 AD who are depicted as largely responsible for the expulsion of medieval Buddhism from India The sixth and seventh chapters portray di a kar c rya dubbed Sa kara here in a rather unflattering light and the eighth wraps up the book with an account of the atrocities wrought by a kara s followers upon Durv s i s disciplic descendants who were the Vai ava predecessors of r Madhv c rya It describes how Madhva s spiritual forebears chose to live clandestinely within a karaite ranks for up to four centuries till the advent of Madhva secretly passing on the sacred Vai ava d k mantras in an unbroken parampar This publication is an exercise in transcending sectarian and interfaith conflicts in learning how to extract a balanced view of religious leaders who have been put on a pedestal perhaps undeservingly so di a kara was in many ways an iconoclast who has ironically become the face of the very tradition his doctrine undermines While the M dhvas are justified in their vilification of a kara given that they had to face persecution at the hands of his followers he is perhaps best regarded as a brilliant anti hero This translation with extensive annotations drawing from three different editions of the original manuscript provides a scholarly glimpse into what is perhaps one of the world s oldest documented ideological battle for the soul of Indian philosophy and spiritual practice This is an exploration of the cutting edge of truth What is fact As with the Vedic corpus and tradition the Judea Christian and Islamic traditions have as their bedrock the idea that truth is the supreme principle akin to or synonymous with God This is an exploration of the weak links in a history written by victors who continue to maintain a religious hegemony over a country of almost 1 5 billion people But how did these victors ascend to such power Through a long bloody tale of subterfuge violent oppression political alliances and propaganda What is the other side of the story And who is the true victor Which side lays better claim to the truth If an oppressed religious minority publishes an account that demonizes the founder of this religious heavyweight is that account to be written off as libel Or on close inspection is it actually a genius reconciliation of good and evil a tale of survival and perseverance but also ultimate forgiveness and harmonization As indicated by r K a in Bhagavad g t 6 9 the enlightened yog does not distinguish between friend and foe but regards all equally It is my humble opinion that the author of this text r man N r ya a Pa it c rya has managed to strike the gold standard of that delicate balance maintaining the valiant spirit of those who serve in the eternal battle between truth and falsehood while leaving us clear hints of a deeper mechanism at work in the lives and missions of Madhva and a kara apparent foes who are both ultimately deemed to be incarnations of the one and only Lord iva Perhaps these baffling dynamics are best soothed with a Vedic utterance vet vatara Upani ad 6 8 as follows The Supreme Being has

no material work to perform and no one is equal to or greater than Him His multifarious energies operate in such a perfect manner that all diverse and even opposing elements are harmoniously reconciled within Him If you are fascinated by the character of Lord Iva and want to dive as deep as possible into his complex mythology this is the book for you as he features as one of the most misunderstood adored and disputed anti heroes of all time The Loves of Krishna in Indian Painting and Poetry W. Ruppert, 2020-03-23 Focusing on the ninth to the fourteenth centuries this study analyzes the ways in which relics functioned as material media for the interactions of Buddhist clerics the imperial family lay aristocrats and warrior society and explores the multivocality of relics by dealing with specific historical examples Brian Ruppert argues that relics offered means for reinforcing or subverting hierarchical relations The author's critical literary and anthropological analyses attest to the prominence of relic veneration in government in lay practice associated with the maintenance of the imperial line and warrior houses and in the promotion of specific Buddhist sects in Japan **The Jewel-maiden** Florian Pascal, 1898 A prose English translation of Vishnupuranam Manmatha Nath Dutt, 1896 The Prema-Sâgara Lallu Lâla, 1897 Manual of the International Order of Twelve of Knights and Daughters of Tabor, Containing General Laws, Regulations, Ceremonies, Drill, and a Taborian Lexicon International Order of Twelve of Knights and Daughters of Tabor, Moses Dickson, 1891 **The Prema-Sagara Or Ocean of Love, Being a Literal Translation of the Hindi Text Of---as Edited by Eastwick, Fully Annotated and Explained Grammatically, Idiomatically and Exegetically by Frederic Pincott.** (angl.)
