When Caesar Was King David Margolick, 2025-11-11 From longtime New York Times and Vanity Fair writer David Margolick comes the first definitive biography of Sid Caesar founding father of television comedy and icon to generations of Americans By the spring of 1954 Sid Caesar was the most influential highly paid and enigmatic comedian in America Every week twenty million people tuned their TVs to his NBC extravaganza *Your Show of Shows* and witnessed his virtuosity in sketches and film spoofs pantomime and soliloquy Onstage Caesar could play any character and make it funny a befuddled game show contestant a pretentious German professor a beleaguered husband opposite his redoubtable co star Imogene Coca even a gumball machine and a bottle of seltzer To Caesar's mostly urban audience his comedy was an era defining leap forward from the days of vaudeville launching a new style of humor that was multilayered and full of character yet still uproarious To his rivals Caesar was the man to beat To his fellow American Jews his show's success meant something more a post Holocaust symbol of security and a source of great pride But behind all that Caesar represented was the real Sid Introverted and volatile ill at ease in his own skin he could terrorize his collaborators but reserved his harshest critiques for himself After barely a decade he was essentially off the air beset by exhaustion addiction his own impossibly high standards and changing viewership as television spread to the American heartland TV's first true comic creation was also its first spectacular flameout But in his wake came the disciples he personally nurtured including Mel Brooks Carl Reiner Neil Simon and more Caesar left an indelible impact on what still makes us laugh In *When Caesar Was King* veteran journalist David Margolick conjures this complex man as never before Deeply researched brimming with love for Caesar and the culture from which he sprang and reanimating a New York City that has all but vanished this
