The Jewish Mystique:

The Jewish Mystique Ernest Van den Haag, 1969 AN INVESTIGATION OF THE MYSTIQUE ABOUT JEWS COMMENTS ON HOW LITTLE IS UNDERSTOOD ABOUT A PEOPLE WHO HAVE HAD MUCH IMPACT ON THE HISTORY AND DESTINY OF THE WORLD *Kabbalah* Perle Besserman, 2018-08-21 Unraveling the web of ancient traditions hidden in such texts as the Sefer Yetzirah and the Zohar this book traces history and offers an accessible introduction to understanding Kabbalah and its practices Jewish mysticism has flourished sometimes brilliantly sometimes darkly over five thousand years This pioneering popular text on Jewish mysticism was the first written for a general audience and in it Perle Besserman offers a lively and accessible introduction to the methods schools and practitioners of this intriguing world She traces the history of Kabbalah through the lives of its illustrious scholars and saints and unravels the web of ancient traditions hidden in such texts as Sefer Yetzirah and the Zohar Running through these pages are the words of the outstanding Kabbalists and mystics including Simeon bar Yohai Isaac Luria Abraham Abulafia and the Baal Shem Tov giving instructions on practices ranging from contemplation of the Bible s secret teachings to ritual ecstatic prayer and intensive meditation Sigmund Freud and the Jewish Mystical Tradition David Bakan, 2025-12-20T00:00:00Z In this pioneering work David Bakan challenges the popular view of Freud as an entirely secular intellectual schooled in modern culture rather than Jewish traditions Bakan contends that the father of psychology was profoundly influenced by mystic lore about which he appeared to know very little and which represents the antithesis of scientific method This work is based on the premise that Freudian psychoanalytic theory is largely rooted in the Jewish religion particularly the mysticism of the kabbala In a fascinating interpretation of the blend of personality and cultural history Bakan explains how Freud s Jewish heritage contributed either consciously or unconsciously to his psychological theories The author employs Freud s own distinction between being a Jew and the acceptance of Jewish doctrine to demonstrate the effect of Jewish mysticism in the formation of Freud s technical genius

The Way Into Jewish Mystical Tradition Rabbi Lawrence A. Hoffman, PhD, 2011-10-29 An accessible introduction to the concepts of Jewish mysticism their religious and spiritual significance and how they relate to our lives The Way Into Jewish Mystical Tradition allows us to experience and understand mysticism s inexpressible reverence before the awe and mystery of creation and celebrate this rich tradition s quest to transform our ordinary reality into holiness *The Jewish Mystics* Louis Jacobs, 1990 *The Jewish Mystic in Kafka* Jean Jofen, 1987 This book focuses on Kafka s use of Jewish mysticism It is the first major contribution to Kafka studies in this field Jofen s findings shed new light on many of Kafka s works and illuminate some of the more obscure passages Her original interpretations especially of The Castle open up new avenues of research The book depicts the world of the Hasidim as revealed in the works of Martin Buber and J L Peretz The artistic drawings of Dr Hans Guggenheim add an exciting and original dimension to the book **The Jewish Mystical Tradition** Ben Z. Ariel, 1977-07-07 The Mystic Quest explains the major ideas and concepts of Jewish mystical thought in a way that the general reader can clearly understand Drawing upon his own extensive research as well as on the growing body of scholarly material on the subject Dr David Ariel president of the Cleveland College of Jewish Studies presents the extremely difficult and complex elements of Jewish mysticism in language that makes it accessible to the layperson Jewish mysticism is as old as the Bible itself It is a rich and subtle web of secret teachings and practices that has been part of Judaism since antiquity and has sought to keep the original spark of religious experience alive through the centuries It is the relatively unknown esoteric dimension of Judaism that has nourished a deep spiritual power within a tradition of law ritual and observance A central element in Judaism the mystic quest has shaped both Judaism and Jews throughout history generating the kabbalistic tradition and Hasidism which continue to thrive today As Ariel says This book is concerned primarily with the development and meaning of the Kabbalah the principal tradition of mystical Jewish thought The Mystic Quest begins with an examination of the variety of phenomena known in different cultures as mysticism Ariel then located the Jewish mystical tradition within the context of Jewish history and traces its evolution throughout the ages Jewish mystical theories about the hidden and revealed God the feminine aspects of divinity the mystical Torah and the concepts of the soul and human destiny are then explored in detail Finally the author considers Hasidism and modern Jewish mystical thought discussing the role of mysticism in contemporary Judaism In language accessible to the beginner yet sophisticated enough to captivate the advanced student The Mystic Quest fills an important gap in our knowledge of mysticism by bringing a comprehensive and fresh understanding of the subject to a new generation of **Walking the Path of the Jewish Mystic** Rabbi Yoel Glick, 2015-08-27 An innovative handbook to the world of the Jewish mystics that opens up a window onto a higher reality When we embark upon the path of the mystic this earthly plane is no longer the focus of our lives Rather it is the invisible realm of the soul that draws us toward it We become aware that there are worlds upon worlds beyond the material existence in which we live This understanding illuminates our ascent into the Timeless Expanses of Infinity from The Divine Structure of Reality This unique guide to the world of the Jewish mystics will refashion the way you understand life God and religion Renowned teacher and spiritual mentor Rabbi Yoel Glick uses the secret traditions of Judaism and other faiths to show you how to deepen your self knowledge and live life with greater meaning and awareness Through the exploration of the body's energy centers the sefirot and chakras the many dimensions of the soul the divine structure of reality and the unfolding relationship between the lower and the higher realms you will discover how to harness the power of the Infinite inside you and infuse that power into your life and world *The Jews in Canada* Robert J. community and the challenges it faces this clarifies not only the evolution of Jewish people but the evolution of ethnicity in Canadian society The authors compare and contrast modern Canadian Jewry with their own past and their counterparts in the United States They explore the sources for similarities and differences The book also studies the sources and dimensions of the challenges that the Canadian Jewish community faces in attempt to survive the exigencies of modern life Sigmund Freud and the Jewish Mystical Tradition David Bakan,2012-04-05 A pioneering scholarly investigation into the intersection of personality and cultural history this study asserts that Freudian psychology is rooted in Judaism particularly in the mysticism of the Kabbalah Walking the Path of the Jewish Mystic Rabbi Yoel Glick,2015-07-30 Deepen your understanding harness the power of the Infinite inside you and connect to your own soul This unique guide to the nature of both physical and spiritual reality explores the body s energy centers the many dimensions of the soul the Divine nature and the unfolding relationship between the lower and the higher realms **The Alternative** ,1970 *Israel, the Biblical People* Maurice Fluegel,1899 **The Columbia College MS. of Meghilla, Babylonian Talmud** ,1892 *The American Zionist* ,1969 *The Jewish Writer in America* Allen Guttman,1971 Bibliography p 244 246 **Jewish Mystical Testimonies** Louis Jacobs,1977 **Proceedings of the Society of Biblical Archaeology** Society of Biblical Archæology (London, England),1915
