**The Journey Begins** Catherine Mae Clifford,2008-03-31 The Journey Begins is a book based on our walk through healing and deliverance Throughout the book trials tribulations and testing are parallel though hikes taken in the mountains with insight as to what is really happening The whole book is designed to draw one closer to God Catherine Mae has been saved since April 18 1990 and has walked through many deep valleys through her life Abuse was part of her life and she was almost overcome with anorexia bulimia until the Lord called her to Himself Catherine knows the heartaches of divorce being co dependent and having a course of self destruction set in her life When Jesus called her to Himself her life seemed completely out of control and totally destroyed Once she called on the Lord He began to restore rebuild and renew every area that had been broken in her life Lies of the enemy were replaced with God s truth about who she was to HIM and from that faithful day in April 1990 all things indeed became new She is married and has 6 children and 4 grandchildren God has blessed her with the privilege of serving on a team as a teacher praise and worship leader in three local prisons and a cell to cell ministry on death row She led Kay Author and Beth Moore Bible studies and served as worship leader at Women s Aglow local chapter Catherine s message is that God is faithful sovereign and uses everything we go through for His glory for our good and to help rebuild others We serve an awesome GOD Joseph puts the message best in Genesis 50 20 NIV You intended to harm me but God intended it for good to accomplish what is now being done the saving of many lives May God be praised

**The Journey Begins** G.J. Warton,2012-07-06 Life in The Pits has become pretty boring for Timmy Truskett He has no friends lives in a shabby house in run down part of town with his alcoholic father and spends much of his time on his own Having lost his mother at an early age he has been ridiculed by children and adults alike for as long as he can remember He longs for an existence where he can be accepted by others for who he is not for the type of clothes he wears or the area that he is from Approaching his 13th birthday something extraordinary happens to him something that will thrust him into a world

beyond his belief and one in which there appears little or no chance of escape He will be exposed to many emotions that he has never experienced before He will have to work out who to trust who to listen to and more importantly who can help him in his mission to escape He will be exposed to immense danger love hate jealousy greed and above all will have to make choices that someone his age should never have to make on their own and have a strong belief in himself and his new friends in order to get back to his old world which all of a sudden doesn't seem as bad as it was With the help of some intriguing characters such as the talking birds and the dwarfs he finds out that this is no ordinary place It is a place where the unbelievable becomes believable and the impossible become possible Does he have the courage and the will to stand up for himself in a world where there are many rules and the children are watched over day and night He soon discovers that there is more to life than he had ever imagined and maybe just maybe it was his chance to show everyone he was not the type of boy to be ridiculed
