**Good Health**, 1896      **Perfect Health for Women and Children** Elizabeth Macfarlane Sloan Chesser, 1913      [Live 120 Years in Good Health](#) Stan Yonker, 2008-05-06 I was in the plumbing and heating wholesale business for twenty five years before going into the ministry at age thirty seven I was always a very positive person and when I went into the ministry I was shocked and deeply disturbed by how people talked about sickness and disease and death The longer I was in the ministry the more I became aware of the great gulf there was between God's people and God in this whole area I began to see clearly from the Bible what God's Will was for his people I began to preach and teach about healing and life I began to minister healing to my people I would lay hands on the sick and anoint with oil I began to ask God to heal people It was in the Bible and Jesus did it and He told us to do it so I did it Several people were healed and converted and delivered from Satan Lives were changed by God and I got more and more excited But not everyone got excited In fact I ran into much resistance I found that most Christians just did not believe in the Bible They didn't believe God would heal them and they certainly didn't

believe in long life Everyone believed that God took them or He taught people a lesson through sickness or accidents or death So I found that I had to resign from the denomination in which I was a pastor So I started a church in Fort Lauderdale and I have continued to be strong in my faith concerning healing and long life So over the years with all the experiences Ive had and with the negative resistance that I have run up against I have gathered much information and decided to write a book I emphasize how negative and unbelieving we are and how we have developed such deep ruts in our thinking How we blame God How we base everything on the wrong standard How our everyday language is a language of death How we have so much doubt in God It has made me so concerned Only by the love of God flowing through me have I been able to keep my faith and continue to practice what I preach I know it is Gods Will that I help others to see the truth The truth is Jesus The truth is Gods Word We know Jesus was the revelation of God what God was like He was a healer the greatest healer of all time The Bible is Gods Word and it tells us that God wants us well It also tells us who the enemy is Satan is the taker and God is the giver Live 120 Years in Good Health is full of Bible quotes revealing these truths and tells us how to overcome our doubts and weaknesses Watch what we say Possess your vessel Establish your priority The choice is yours The importance of love Standing firm etc This book has many Bible quotations Thats because the Bible is Gods Word containing His promises His instructions His will His direction etc From the Bible we learn Gods way But we must DO it We must be doers of the Word not just hearers or readers James 1 2225 The way to healing health and long life is Gods way He is the giver of lifeHis life My vision is that God will use this book to inform and inspire people to seek His Kingdom first and to discover the truth of not just healing but long life120 years in good health There is so much sickness and death and sorrow and tragedy We need a change of direction We need Gods Way We need Jesus the healer We need help As you read this book I pray that you see the truth and find the way Jesus is the Way the Truth and the Life I pray you find Jesus and live a healthy happy holy life with Him One last thing Jesus is coming soon According to 2 Peter 3 12 we can hasten the day of the coming of the Lord I believe we will hasten that day by being healthy and living long lives as a witness to the love and power of God Jesus is coming for a glorious church Ephesians 5 27 I invite you to accept this challenge and LIVE FOR 120 YEARS IN GOOD HEALTH to the glory of God The Vision of the Author Web site      *A Guide to Getting the Best Health Care for Your Child* Roy Benaroch M.D.,2007-01-30 Roy Benaroch MD explains how to find your ideal pediatrician how to get the most out of every visit how to schedule to your advantage and other office tricks Perhaps more important he explains how to assure your pediatrician has kept up to date and how to understand what lab reports and tests mean and whether they are necessary The best ways to choose and use all aspects of pediatric care are covered traditional medicine alternative medicine hospitals emergency rooms telephone calls insurance sources of medical information and more Every profession has its secrets that would make all of our lives better if we knew that inside information In this book Roy Benaroch MD reveals the secrets of pediatrics that could help every parent and child Benaroch offers practical information about choosing and using a pediatrician s office from how
