The Kennedy Neurosis:

The Kennedy Neurosis Nancy Gager Clinch,1973 **The Kennedy neurosis** Nancy Gager Clinch,1972 *Narcissism and Politics* Jerrold M. Post,2015 This book analyzes narcissism and politics and systematically explores the psychology of narcissism the entitlement the grandiosity and arrogance overlying insecurity the sensitivity to criticism and the hunger for acclaim illustrating different narcissistic personality features through a spectrum of international and national politicians

Robert Kennedy James Hilty,2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John's political campaigns Robert proved himself hard as nails in his father's admiring words relentless in securing his brother's victory and unforgiving in overseeing his brother's presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson's selection as John's running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty's evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today's pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family's story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty's concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader's role in working for Joseph McCarthy or pursuing James Hoffa for racketeering Hilty's great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother's assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert's own crushing pain was evident to the world It was then that

Bobby ceased being a disparaging term and became a mark of respect and affection

Fighting for Justice Mark Shaw,2022-11-29 Investigative reporting at its best Mark Shaw s original work into the questionable deaths of Marilyn Monroe and Dorothy Kilgallen is now focused on the many unanswered questions left by the Warren Commission s inquiry into the JFK assassination Fighting for Justice has to be read Nicholas Pileggi author of Wiseguy and Casino Packed with shocking new evidence Fighting for Justice exposes the cover ups of the JFK assassination and the murders of Dorothy Kilgallen and Marilyn Monroe while revealing for the first time the corrupt inner workings of the Warren Commission based on the firsthand whistleblower account of an actual Commission member never identified before How does an explosive whistleblower account from a Warren Commission WC member never identified before destroy once and for all the biggest lie in American history the Oswald Alone theory On what basis did the member admit It s more than Oswald There is internal corruption on the Commission I do not agree with the Report Is the whistleblower the same one who surreptitiously passed Jack Ruby s WC testimony to journalist Dorothy Kilgallen prior to its release date And how did President Lyndon Johnson and J Edgar Hoover strong arm the commission to prevent any investigation of the truth about who killed JFK and why Based on fifteen years of research answers to these questions and more are uncovered in Fighting for Justice bestselling author and noted historian Mark Shaw s improbable journey to exposing cover ups of the JFK assassination while proving Marilyn Monroe and Kilgallen were murdered

The Soviets' Greatest Gambit Alan J. Levine,2021-08-19 Adam J Levine analyzes the origins of the Cuban Missile Crisis with a particular focus on Nikita Khrushchev s motives and the response of the Kennedy administration Levine s account presents a different portrayal of the events than popularly told shedding light on John F Kennedy s decision making practices and personal behavior while out of public eye

The Presidency of John F. Kennedy James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during

a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library The Presidency of John F Kennedy remains the definitive appraisal of Camelot s kingdom **John F. Kennedy and a New Generation** David Burner,2009 In this biography David Burner explores the controversies successes and failures in the life and presidency of John F Kennedy and how he shaped the modern American consciousness Burner discusses John F Kennedy 1917 1963 as both an individual and a leader allowing the reader to examine the changes that took place in the American political and social systems as reflected in the hopeful days of Kennedy s Camelot Paperback brief and inexpensive each of the titles in the Library of American Biography series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life In addition each biography relates the life of its subject to the broader themes and developments of the times **The Presidency of Lyndon B. Johnson** Vaughn Davis Bornet,1983

Presents an assessment of the Johnson administration including the Vietnam issue *JFK for a New Generation* Conover Hunt,Conover Hunt-Jones,1996 Conover Hunt dedicates JFK for a New Generation to people born after 1960 who do not remember John Fitzgerald Kennedy But in this volume Hunt provides valuable insights for readers of all ages into the origins of one of the nation s most powerful myths the nature and chronology of the debate about Kennedy s accomplishments and the birth of the controversy over his assassination in 1963 In this lavishly illustrated volume Hunt traces the changes in American society between 1963 and 1995 that have influenced the image of JFK since his death and records her recollections of the people and events that reshaped the collective memory of those who knew Kennedy during the Sixties She does not take sides on the issue of Kennedy s effectiveness as a leader his character or the reasons for his death and instead presents a foundation from which readers can make their own judgments JFK is not academic history its broad content and informal tone reflect the years Hunt worked with international audiences at Dealey Plaza in Dallas first as project director to organize The Sixth Floor Museum there and later to assure the preservation of the assassination site JFK for a New Generation will provoke lively discussions among all generations of Americans **The Journal of Mental Science** ,1933 **The Journal of Psychohistory** ,1977 **Mental Hygiene Bulletin** Frankwood Earl Williams,1928 *John F. Kennedy* Thomas C.

Reeves,1990 **Best Sellers** ,1972 **The Ethnic Imperative** Howard F. Stein,Robert F. Hill,1977 The New Ethnicity is characterized more by a cutting of roots than a cultivation of them particularly among descendants of recent European immigrants to America The authors hold that the American Dream including its melting pot imagery was sought by immigrants from Ireland or eastern central and southern Europe not imposed by xenophobic WASPs Thus The Ethnic

Imperative is partly a rejoinder to apologists for the New White Ethnic movement partly a sympathetic critique of the movement and by extension of all movements premised on the biosocial nature of ethnicity Three centuries of Euro American history are reviewed in order to establish a psycho social base from which to view the New Ethnicity as what La Barre calls a crisis cult A distinction is made between current ideological ethnicity and the prior unselfconscious behavioral ethnicity The latter subsumes the preservation of intracultural values while the former involves a rejection of the American Dream The liberating American Dream is contrasted with the equally powerful and often constraining doctrine and practice of American Conformity The post World War II period of liberation for recent Americans is viewed psychoanalytically as the triumph of the son generation while the assassination of idealized leaders symbolized loss of faith in the American Dream Mounting rebelliousness by youths and Blacks led many white ethnics to embrace neo fundamentalisms and neo orthodoxies The traditional Southern ethos of localism and separation with which the New White Ethnicity is often compared is shown as a recurring nationwide rationalization of caste or race position no matter how unrewarding that position may be La Barre calls it one downmanship Implicitly The Ethnic Imperative is a brief for the American Dream of *E pluribus unum* And as Weston La Barre says of the authors in his foreword their ideas will have a still wider bearing in the future world village *Presidents of the United States--their Written Measure* James Sayler,1996 **The Presidential Families** E. H. Gwynne-Thomas,1989

Since Dallas Vincent L. Toscano,1978 *Personalities in Power* Florence Littauer,1998-05
