## WOODS SKIING POLICY

When skiing in the woods, always use the blue line trails. Please respect the unique aspect of the Mad River Glen area by following our common sense policies.

- The Mad River Glen Skier  
Never cut through the woods.
- Skiers must either stay out the woods or go up them.
- Always ski with at least 3 people in the woods (because of safety, it gets lonely & it is easy to get lost).
- Never ski the woods after dark (it's hard to see back for you in the woods).
- Never ski in a designated no-grooming area (the forest and future generation of skiers will thank you for it).
- Do not leave the skis when breaking (it's not our property and it's not permitted).
