

SLAVES OF SLEEP

By L. RON HUBBARD

Slaves Of Sleep

SB Merriam

Slaves Of Sleep:

Slaves of Sleep & the Masters of Sleep L. Ron Hubbard, 1993-10-15 Jan Palmer wakes from a deep sleep into a living nightmare that seems to be a parallel universe of evil Jinn deadly secrets and beautiful but dangerous dancing girls While trying to figure out the meaning of his dreams he finds humankind's fate resting in his hands If you have ever suffered from sleepless nights or insomnia this is a tale that might just open your eyes Slaves of Sleep is an L Ron Hubbard tale of parallel universes one of the first in modern fantasy writing Cursed with eternal wakefulness by an evil Jinn never ending nightmares and imprisoned for a crime he didn't commit Jan Palmer is living hell in two worlds or is this just lucid dreaming On Earth he is a prisoner of his own insecurities and in the land of the Jinn he is Tiger the swashbuckling rogue but in both he faces death at every turn Unless he can discover the meaning of his dreams before it's too late I stayed up all night finishing it The yarn scintillated Ray Bradbury

Slaves of Sleep La Fayette Ron Hubbard, 1979-06 *White Slaves, African Masters* Paul Baepler, 1999-05-15 Some of the most popular stories in nineteenth century America were sensational tales of whites captured and enslaved in North Africa White Slaves African Masters for the first time gathers together a selection of these Barbary captivity narratives which significantly influenced early American attitudes toward race slavery and nationalism Though Barbary privateers began to seize North American colonists as early as 1625 Barbary captivity narratives did not begin to flourish until after the American Revolution During these years stories of Barbary captivity forced the U S government to pay humiliating tributes to African rulers stimulated the drive to create the U S Navy and brought on America's first post revolutionary war These tales also were used both to justify and to vilify slavery The accounts collected here range from the 1798 tale of John Foss who was ransomed by Thomas Jefferson's administration for tribute totaling a sixth of the annual federal budget to the story of Ion Perdicaris whose probably staged abduction in Tangier in 1904 prompted Theodore Roosevelt to send warships to Morocco and inspired the 1975 film The Wind and the Lion Also included is the unusual story of Robert Adams a light skinned African American who was abducted by Arabs and used by them to hunt negro slaves captured by black villagers who presumed he was white then was sold back to a group of Arabs from whom he was ransomed by a British diplomat Long out of print and never before anthologized these fascinating tales open an entirely new chapter of early American literary history and shed new light on the more familiar genres of Indian captivity narrative and American slave narrative Baepler has done American literary and cultural historians a service by collecting these long out of print Barbary captivity narratives Baepler's excellent introduction and full bibliography of primary and secondary sources greatly enhance our knowledge of this fascinating genre Library Journal
