*The Jade Enchantress* E. Hoffmann Price, 2014-10-10 It was perhaps natural after a thousand years of celibacy that the Immortal Jade Lady should petition the Moon Goddess for a lover The trouble was that he was a mortal and she was a spirit which made for certain difficulties Then she had to fall in love with him Ju hai had troubles enough without spirit entanglements He had a powerful enemy seeking to destroy his family to seize their lands Somehow Ju hai had to rescue his father illegally impressed to fight a distant war even though success meant outlawry Then he had to win justice and vengeance against the enemy It was a task to confound a mighty warrior and magician And of course there was the matter of Hsi feng the little slave girl But the Jade Lady meant to save him and to make him an Immortal too whether he wanted to be or not

*Pirates and Publishers* Fei-Hsien Wang, 2022-06-07 A detailed historical look at how copyright was negotiated and protected by authors publishers and the state in late imperial and modern China In *Pirates and Publishers* Fei Hsien Wang reveals the unknown social and cultural history of copyright in China from the 1890s through the 1950s a time of profound sociopolitical changes Wang draws on a vast range of previously underutilized archival sources to show how copyright was received appropriated and practiced in China within and beyond the legal institutions of the state Contrary to common belief copyright was not a problematic doctrine simply imposed on China by foreign powers with little regard for Chinese cultural and social traditions Shifting the focus from the state legislation of copyright to the daily on the ground negotiations among Chinese authors publishers and state agents Wang presents a more dynamic nuanced picture of the encounter between Chinese and foreign ideas and customs Developing multiple ways for articulating their understanding of copyright Chinese authors booksellers and publishers played a crucial role in its growth and eventual institutionalization in China These individuals enforced what they viewed as copyright to justify their profit protect their books and crack down on piracy in a changing knowledge economy As China transitioned from a late imperial system to a modern state booksellers and publishers created and maintained their own economic rules and regulations when faced with the absence of an effective legal framework Exploring how copyright was transplanted adopted and practiced *Pirates and Publishers* demonstrates the pivotal roles of those who produce and circulate knowledge

*Gardens of a Chinese Emperor* Victoria M. Siu, 2013-06-12 The Garden of Perfect Brightness Yuanming Yuan in the western suburbs of the Qing capital Beijing was begun by the great Kangxi r 1661 1722 and expanded by his son Yongzheng r 1722 1735 and brought to its greatest glory by his grandson Qianlong r 1736 1796 A lover of literature and art Qianlong sought an earthly reflection of his greatness in his Yuanming Yuan For many years he designed and directed an elaborate program of garden arrangements Representing two generations of painstaking research this book follows the emperor as he ruled his empire from within his garden In a landscape of lush plants artificial mountains and lakes and colorful buildings he sought to represent his wealth and power to his diverse subjects and to the world at large Having been looted and burned in the mid nineteenth century by western forces it now lies

mostly in ruins but it was the world's most elaborate garden in the eighteenth century. The garden suggested a whole set of concepts: religious, philosophical, political, artistic, and popular, represented in landscape and architecture. Just as bonsai portrays a garden in miniature, the imperial Yuanming Yuan at the height of its splendor represented the Qing Empire in microcosm. Includes 62 color plates and 35 black and white photographs. *The Studio*, 1896. *Studio*, 1896. **Proceedings of the 2024 International Conference on Applied Economics, Management Science and Social Development (AEMSS 2024)** T.
