**The Jesus Scroll** Donovan Joyce,1973    **The Jesus Scroll** Donovan Joyce,1972    *The Jesus Scroll* Donovan Joyce,Philip Joyce,1974-10-01    **The Historical Jesus** Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index    *Commentary on the Book of Enoch* John D. Ladd,2008-06 Fifty years after James Bruce brought a copy of the Book of Enoch found in Ethiopia to England Richard Laurence made a first modern translation Later R H Charles made another translation using some Greek excerpts and more Ethiopian texts Then recently Michael A Knibb using many texts and partial texts put together an adequate translation Yet all of these translations are rough obscure and confusing to Christians of today The Dead Sea Scrolls contained many copies and partial copies of the Book of Enoch In the Dead Sea scrolls there were found 17 copies Comparitively there were 30 copies of Psalms 25 copies of Deuteronomy 19 of Isaiah 15 of Genesis and Exodus 14 Of Jubilees Jude validated The Book Of Enoch with his quote from it Using all of the sources now available along with an in depth study of book I have prepared this paraphrase translation Along with such I have included an commentary to help in its comparison with the Bible John D Ladd was raised the son of an Assemblies of God pastor He attended Northeast Bible College in Pennsylvania and later Malone College in Canton Ohio He pastored for many years was ordained in the Assemblies of God but later left to pastor independent churches Preferring teaching to preaching he has spent many years studying reading books from the early church period and translating paraphrasing them for ease of use by Christians of today This book of Enoch s has been translated paraphrased and now is being given commentary to compare it with the Bible s message to test it by the Word of God How does it compare Is it in agreement with the message and prophetic teachings of the Bible    **Secret Scrolls** Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and

fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls    Gospel Thrillers Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible s sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties    **The Christ of God** Charles Holbrook Mann,1897    **The Jesus Scroll** Craig Etchison,2008-03 The earliest Gospel Mark was written over thirty years after Jesusa death Matthew and Luke were written decades later All are colored by specific historical contexts and were not selected for the official New Testament until the fourth century What if we could strip away faulty memories and theological predispositions of the authors What if we could strip away myths added from other religions in an attempt to make Jesus appear more divine What if we could strip away accretions of later years that have little to do with the historical Jesus What message might shine through The Jesus Scroll attempts to deduce the essence of Jesusa teachings through a personal journal Jesus might have written revealing that social justice is the only meaningful worship of God and dedication to peace and nonviolence through love of all creation the only meaningful mechanism for demonstrating love of the Creator    *Buried History* ,1973    **The Sacred Writings of the Apostles and Evangelists of Jesus Christ** ,1882    **An Introduction to the Complete Dead Sea Scrolls** Géza Vermès,1999 This thoroughly revised and updated version of The Dead Sea Scrolls Qumran in Perspective is useful as a textbook for courses in Dead Sea Scrolls the Hebrew Bible or the New Testament It has been a standard work in the field for the past thirty years    The History of Our Lord as Exemplified in Works of Art Mrs. Jameson (Anna),1881    The Five Exotic Scrolls of the Hebrew Bible (the Scroll of the Song of Songs, the Scroll of Ruth, the Scroll of Lamentations, the Scroll of Ecclesiastes, the Scroll of Esther) Jerry A. Gladson,2009 This work is a comprehensive advanced introduction to the five books or scrolls in the Hebrew Bible that constitute the Megilloth a distinctive minor collection within the canon of the Hebrew Bible    **The Rainbow, a magazine of Christian literature** ,1878    **The Bulletin** ,1973    **Christian Literature and Review of the Churches** ,1894    Understanding the Dead Sea Scrolls Hershel Shanks,1993 Articles by leading scholars discuss the discovery of the Dead Sea scrolls their significance for understanding early Christianity and rabbinic Judaism and the recent controversy regarding access to the scrolls    The New York Times Book Review ,1974

*The Bible and the Dead Sea Scrolls: The scrolls and Christian origins* James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity
