## **The Jury:**

**We, the Jury** Jeffrey B. Abramson,2000 This magisterial book explores fascinating cases from American history to show how juries remain the heart of our system of criminal justice and an essential element of our democracy No other institution of government rivals the jury in placing power so directly in the hands of citizens Jeffrey Abramson draws upon his own background as both a lawyer and a political theorist to capture the full democratic drama that is the jury We the Jury is a rare work of scholarship that brings the history of the jury alive and shows the origins of many of today s dilemmas surrounding juries and justice    Roscoe's Digest of the Law of Evidence in Criminal Cases Henry Roscoe,Horace Smith,1874    The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ...
