## **The Keepers:**

*The Keepers Book* Sir Peter Jeffery Mackie, 2013-01-11 Peter Jeffrey Mackie writes in his introduction to *The Keeper's Book* that Sport and love of sport is part of the great heritage of our race. He believes that sport and sportsmanship are what keeps society thriving and is undoubtedly one of our most powerful social forces in this day and age. This book pursues the sport of the hunt and the social interactions associated therein. This particular past time requires not only a love of adventure but also self discipline, patience and technical skill. Not only does Mackie discuss the pursuit and conquest of wild animals but he also describes how to preserve them, covering all matters in great detail. Mackie goes on to cover everything from hunting to angling in astounding detail. Although first published in 1929, this timeless classic is sure to peak the curiosity of anyone interested in outdoors amusements and their impact today.

**The Interpretation of The Meaning of The Holy Quran Volume 60 - Surah Ghaafir (Al-Mu'min)** Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world, English. For this very reason I have written the interpretation of the Holy Quran in English. Prof Nasoha Bin Saabin
