## **The Judas Factor:**

**The Judas Factor** Karl Evanzz, 1992 Uses interviews and declassified government documents to argue that the CIA conspired to monitor manipulate and finally silence the Black nationalist leader    **The Judas Factor** Roger Elwood, 1997 It could happen A sinister plot catches the world off guard How would you react if the world crumbled around you tomorrow This is what readers discover as they become absorbed in the Without the Dawn series as exciting as Die Hard Executive Decision and Outbreak but with a spiritual dimension not even suggested in the others    *The Judas Factor* Roger Elwood, 2002

**The Judas Factor** Ted Allbeury, 1984    *Islam in the African-American Experience, Second Edition* Richard Brent Turner, 2003-11-20 Sure to become a classic in the field Highly recommended Library Journal full of surprises and intrigues and written in a beautiful style a breath of fresh air on the African Islamic American connection Journal of the American Academy of Religion The involvement of black Americans with Islam reaches back to the earliest days of the African presence in North America Part I of the book explores these roots in the Middle East West Africa and antebellum America Part II tells the story of the Prophets of the City the leaders of the new urban based African American Muslim movements in the 20th century Turner places the study of Islam in the context of the racial ethical and political relations that influenced the reception of successive presentations of Islam including the West African Islam of slaves the Ahmadiyya Movement from India the orthodox Sunni practice of later immigrants and the Nation of Islam This second edition features a new introduction which discusses developments since the earlier edition including Islam in a post 9 11 America    **The Judas Factor** Jack Shelynn, 1980

Race and US Foreign Policy Mark Ledwidge, 2012-02-06 African Americans analysis of and interest in foreign affairs represents a rich and dynamic legacy and this work provides a cutting edge insight into this neglected aspect of US foreign affairs In addition to extending the parameters of US foreign policy literature to include race and ethnicity the book documents case specific analyses of the evolutionary development of the African American foreign affairs network AAFAN Whilst the examination of race in regard to the construction of US foreign policy is significant this book also provides a cross disciplinary approach which utilises historical and political science methods to paint a more realistic appraisal of US foreign policy Including analysis of original archival evidence this theoretically informed work seeks to transcend the standard mono disciplinary approach which overestimates the separation between domestic and foreign affairs The unique approach of this work will add an important dimension to a newly emerging field and will be of interest to scholars in ethnic and racial studies American politics US foreign policy and US history    **The Judas Factor** Dwight Jones, 2015 Our national leaders want to normalize relations with the sworn enemies of Israel For pastor and author Dwight Jones this troubling development is a clear signal that America's longstanding friendship with the nation is hanging by a thread Changes in our American foreign policy led the author to earnestly petition God for clarity and understanding The words he received were horrifying As Judas betrayed Christ with a kiss and sold him to his enemies so America will betray

Israel and sell her to her enemies What will happen if America plays the Judas card Will this bring the wrath of God upon our land Is there still time for a faithful remnant to emerge Jones has written The Judas Factor as a prophetic word to America Readers can follow the author as he treks through the events in the Scriptures from the Last Supper through the betrayal of Christ See what lies ahead for the church as we approach midnight in America     **The Judas Factor** Robin Harfouche,2010

*The Shining Stranger* Preston Harold,1973     **Betrayal by Blood and Demons: The Judas Factor** Ian McBride,2015-01-27 On leave following her last case and her mother s death Detective Megan McGinn finds herself drawn back into an investigation when a judge in the New Jersey town where she is staying is murdered and his secret vice is exposed and someone attempts to kill her     The Hidden Truth, Or, 'The Judas Factor' Stanley Livingston,1996

**Surviving the Judas Factor** Ursula Bellah,2004 Misinformation is an impedance to metanoia turning from bad to good which is the central message of christianity It misleads it disorients it confuses it generates misunderstanding and disaffection and occasions emotional and spiritual disquiet This book decries its pernicious effect on the future of mutual understanding love peace and harmony in the nuclear family setting and in the wider family that includes all human beings of all colours races and cultures The book seeks to awaken consciousness to the reality of the pervasive presence of misinformation in our midst recommends efforts at eradicating it and by showing the light aims at replacing it with information that is wholesome palatable and correct This book is not about people per se as individuals or as groups It is about their intellectual inconsistencies and the harmful demagoguery that proceeds therefrom Where names appear of persons groups of people institutions or of events and places they are merely incidental It was not possible to avoid them and still address the wrong they were intended to instance A book for everyone it has no precise target readership because when information contained in a book is from revelation who is it not for It is instruction for the uninformed elucidation and edification for the doubtful and a mental stimulant for the tired intellectual who perhaps fell asleep It will get you thinking even talking even responding and that s not a bad thing Many themes seem fused together in this book and that is because I am not writing on any of them I am using them to illustrate and buttress the case I am making for the need for correct information     **The Judas Factor** Bob Monahan,2011-04 The author considers the possibility that Judas rather than being Jesus betrayer was one of His closest friends and a part of His plan of sacrifice and from that perspective reflects on his own life and relationships     *The Catalog of Lost Books* Tad Tuleja,1989 As noted in the book length subtitle this is a lively roster of tomes that have not yet been written a vital gathering of 80 great books that don t exist Perfect for astounding co workers with utterly unknown and useless literary references     *Brinkman's cumulatieve catalogus van boeken* ,1988 Voorts een alphabetische lijst van Nederlandsche boeken in Belgi uitgegeven

withdraw their support Arrested he is condemned as a traitor and only escape s death by the intercession of an unlikely saviour     The Judas Factor Engstrom Barbie,     No Place to Hide; The Judas Factor; Children of Tender Years;The Seeds of Treason; The Crossing Ted Allbeury,1988
