Be My Prince Royal Trilogy 1:

Zac and the Reluctant Prince, Book 1 of the Prince David series Wilson James, 2011-09-26 At the age of six Zachary Bolitho discovers that his very kind small town neighbors are actually the Monarch's grandson and family. By the age of seven Zachary has lost his father, met the Queen and become an assistant caregiver to his little brother Austin and Austin's same age best friend David who just happens to be a royal prince. When a national tragedy strikes seven years later Zachary finds himself in a role he is hardly prepared for: placating senior government officials while trying to protect young David. Going purely on guesswork and instinct, Zachary tries hard to do what he thinks is right while at the same time working to assist a much younger David to do the same. Dealing with cranky older advisors, a lack of clear direction, plus a traitorous and Machiavellian uncle, Zachary struggles to make sense of what has happened while trying to prepare his young friend for the most important role of his life. **Stockton's Stories, Series 1 and 2** Frank R. Standard 1-6 Alexander Ronald Grant, 1876 **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield, 2020-02-13 As primitive civilization developed, society has established cornerstones in our thought and reasoning. Things we are told repeatedly as fact from birth and are thus believed instinctively. Many of these cornerstones now date back many millennia, such as the Bible. The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways. These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine. Thus the goal is to bring an overdue debate to organized religion. The hope is to remove the barriers that deny humanity the evolution of our species. No topic is out of bounds. A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books. Love them or hate them, you will be unable to put them down and you will never see the World or the Divine the same way again. Chambers's Encyclopaedia Robert Chambers, 1879 **The Philadelphia**
