Slovak Lutheran Social Ethics:

Slovak Lutheran Social Ethics Vasil Gluchman,1997 This study investigates the meaning and contribution of the Slovak Lutheran social ethics to the social ethical thinking in Slovakia The book attempts to examine the subject in the social political and spiritual context of the development of the Slovak nation Slovakia and Czechoslovakia linking the development of the Protestant social ethics in Europe and the rest of the world The Promise of Lutheran Ethics Karen L.

Bloomquist,John R. Stumme,1998-08-01 Here ten Lutheran theologians explore Lutheran emphases themes and approaches to offer their account of Christian ethics as a way of life in today s world Writing in dialogue they raise foundational concerns of biblical and theological sources and norms of Christian freedom and responsibility of call and social witness of justice and formation in prayer Then in a lively Table Talk the participants discuss and debate the tradition s insights and oversights and show how it might illumine today s burning ethical issues such as homosexuality **Morality of the Past from the**

Present Perspective Vasil Gluchman,2009-03-26 The monograph is divided into four parts The work starts with Preface in which Vasil Gluchman presents socio political socio cultural and ideological context of the first half of the twentieth century and the situation in Slovakia and Central Europe in this historical period placing this monograph and the works of individual contributors into the context of the given era The first part deals with philosophical and ethical issues arising from the examination of morality at the end of the 19th century and the beginning of the 20th century This part creates the methodological starting point for the examinations presented in the next three parts of the monograph The second part focuses on the development of philosophical and ethical reflection of morality in Slovakia in the given era The third part examines socio political and professional ethical aspects of the development and functioning of morality in Slovakia in the first half of the 20th century Reflections of morality in Slovakia in the Slovak literature of the first half of the 20th century are the object of interest in the fourth part of the monograph **Morality** Vasil Gluchman,2013-09-01 This book of essays

focuses on the new approaches to moral issues from two perspectives The first part Various Concepts of Morality analyses certain central approaches to moral study and creates the methodological starting point for the more specific enquiries of the second part New Trends in Understanding Morality contains five articles focusing on these new approaches especially as they are related to their conceptions of scientific knowledge This section deals with selected special issues of morality in biology natural sciences but also in humanities Historical Dictionary of Lutheranism Günther Gassmann,Mark W.

Oldenburg,2011-10-10 The Reformation of the 16th century was a complex and multifaceted political social cultural and religious process Most historians agree however that in the framework of this process it was the religious and theological efforts to reform and renew the late medieval church decadent and irrelevant in many ways that were the initiating forces that set a broad historical movement in motion Among these reforming religious and theological forces the Lutheran reform movement was the most important and influential one It was the historical impact of the theological genius of the Wittenberg

professor Martin Luther 1483 1546 that profoundly changed and shaped the face of Europe and beyond Today Lutheranism has become a worldwide communion of churches that stretches from Germany to Siberia Papua New Guinea Madagascar and Surinam The second edition of the Historical Dictionary of Lutheranism presents information on major theological issues historical developments of Lutheranism worldwide Lutheran ecumenical and missionary involvement and activities worship and liturgy spirituality social ethics inter religious and Jewish relations Lutheranism and the arts theology and important representatives of Lutheranism This is done through a detailed chronology an introductory essay an appendix of Lutheran Churches a bibliography and hundreds of cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about Lutheranism **Life as an Experiment** Zdenek

Penkala,2009-03-26 We cannot live a full life unless we know who we are unless we know the essence of our being The sciences which have been immensely helpful in the way in which we live our lives have been helpless when it comes to telling us how our life should be lived and what its meaning is Accepting any philosophical or religious belief on the other hand limits our freedom to learn directly from personal knowledge of reality as any preconceived ideas do not only alter its perception but limit the spectrum of possibilities to which our reason can be applied To those who do not surrender their right to decide for themselves what reality is life offers a unique opportunity to apply their insights both in the worlds within and without and either validates or disproves their findings If they are true to themselves the continuous feedback life offers will reveal to them unique characteristics of our mind which are otherwise limited by its own beliefs God, Goodness and

Philosophy Harriet A. Harris,2011 Public and academic concerns regarding religion and morality are proliferating as people wonder about the possibility of moral reassurance the ability of religion to provide it and about the future of religion and the relation between religious faiths This book addresses current thinking on such matters with particular focus on the relationship between moral values and doctrines of the divine Leading scholars in the field test the scope of philosophy of religion and engage with the possibilities and difficulties of attempting trans faith philosophy **Religion in Eastern Europe** ,1993 **Human Being and Morality in Ethics of Social Consequences** Vasil Gluchman,2003 Explores issues concerning the moral agent and one s moral rights Deals with issues related to fundamental moral values and principles of ethics of social consequences making essential differences between ethical theory as a kind of non utilitarian consequentialism and utilitarian forms of consequentialism Explores moral values of humanity legality justice responsibility tolerance moral duty **The A to Z of Lutheranism** Günther Gassmann,Duane Howard Larson,Mark W. Oldenburg,2007

On October 31 1517 the German Priest Martin Luther posted his 95 Theses challenging the teachings of the Roman Catholic Church on the door of the church in Wittenberg It is widely held that this act triggered the large exodus from the Catholic Church which became known as the Protestant Reformation Lutheranism one of the many Protestant movements that were spawned as a result of this revolution is largely founded on the teachings and writings of Martin Luther The A to Z of

Lutheranism sheds light on the many and varied concerns of the church from its earliest manifestations in the 16th century to recent decisions at the turn of the 20th century This is accomplished through a chronology an introduction a bibliography an appendix and hundreds of cross referenced dictionary entries on important persons major events and institutions the theology and ethics significant concepts and the broader social cultural and economic impact of Lutheranism and its worldwide expansion Spiritual Diversity and Social Work Edward R. Canda,2003 Edward Canda and colleagues have gathered more than 750 references on spirituality and social work in this comprehensive bibliography with more than 200 references new to the second edition Entries are organized according to topics so scholars students and practitioners can easily identify reference materials matching their interests The compilers have also written more than 150 paragraph length annotations that highlight a wide range of works within each topic Growing awareness among social workers of the role of spirituality in practical life makes this bibliography especially timely The volume s broad coverage of topics in spirituality makes it an excellent resource for readers with diverse interests in the field Pub desc Religion, Nationalism, and Civil Society in Eastern Europe-the Postcommunist Palimpsest Ina Merdjanova,2002 Czechs and Slovaks in America Miloslav Rechcigl,2005 This volume is a collection of Dr Rechcigl s essays surveys and personal insights relating to the history and the contributions of Czech and Slovak immigrants in America The texts traces the Bohemian and Moravian pioneers in Colonial America the Moravian Brethren the first Slovaks in America and the Jewish pioneer settlers from the territory of former Czechoslovakia Rechcigl also emphasizes the the Bohemian Moravian and Slovak contributions to American science and scholarship **Benjamin Keach and the Development of Baptist Traditions in Seventeenth-century England** David A. Copeland,2001 This study traces one of the major groups of English religious dissenters by studying the life and controversies surrounding one of the group s principal figures As the acknowledged leader of Baptists from around 1675 to his death in 1704 Keach helped establish many of the theological positions of Baptists His greatest accomplishment was the reintroduction of congregational hymn singing among English Protestants This look at Baptists and dissenters of 17th century England is based on Keach s 35 books and pamphlets as well as the writings of those who opposed him **Healing in Religion and Society, from Hippocrates to the Puritans** John Kevin Coyle,Steven C. Muir,1999 The essays collected here explore social and religious dimensions of healing leaning heavily on the valuable insights that can be found in socio anthropological studies of healing and medicine in modern and ancient societies **John Foxe, Evangelicalism, and the Oxford Movement** D. Andrew Penny,2002 Samuel Roffey Maitland waged a vituperative crusade in the 19th century against John Foxe the editors of the Acts and Monuments and the work itself Through a careful examination of Maitland s writings this book attempts to show whether Maitland was justified in his assessment of Foxe s place in the English Reformation Foxe s role in determining the eventual nature of the Church of England and whether Maitland was indispensable to the undermining of Foxe his circle and his works **Eve in Three Traditions and Literatures** Mishaël Caspi,Mohammad

Jiyad,2004 This book revives the tradition of Eve in three traditions and literatures The discussion of Islamic material is particularly valuable since it examines the exchanges of ideas between early Islam and Judaism It displays an amazing ability to uncover irony and sarcasm in ancient writings that have a profound implication for understanding ancient religion and also examines contemporary references to Eve American Book Publishing Record ,1997 **Herbert Butterfield and the Reinterpretation of the Christian Historical Perspective** Malcolm R. Thorp,1997 A biography of Herbert Butterfield which also provides a technical discussion of history including its emphasis upon primary archival material In this study there emerges a concern for the spiritual dimension of life grounded in human personality and expressed in the pursuit of truth

The Politics of Accommodation and Resistance in the Black Church Rupe Simms,2000 This study argues that the church has the capacity of fostering ideological resistance to the dominant order and therefore making a profound contribution to the sociopolitical liberation of black Americans By developing this position using quantitative research methods in three African American churches the work confirms the reality of this potential showing that a counter hegemonic approach to church in the black community is possible This is significant because many politically active scholars even African American radicals disparage the institution as a politically destructive hegemonic organisation that misuses social and economic resources
