Slovakia Since Independence:

Slovakia Since Independence Minton F. Goldman, 1999-01-30 Since becoming an independent country after its split from Czechoslovakia in January 1993 Slovakia's development from communism to political and economic democracy underway when it was part of post Communist Czechoslovakia has been difficult and halting Goldman starts with an analysis of the influence of a strong ethnic based nationalism on Slovak relations with Czechs from 1918 through the Second World War and the years of Communist rule through to the breakaway from Czechoslovakia and the creation of an independent state Goldman then examines the political economic socio cultural problems and international difficulties the new Slovak state experienced as it tried to develop a democratic political system move toward a free market economy achieve societal unity and cohesion and protect its interests abroad In showing how a strong Slovak nationalism rooted in recent history has had an impact on policymaking in almost every sphere of national life Goldman examines the roots and causes of Prime Minister Meciar's authoritarian leadership the halting and uncertain transformation of the Slovak economy to a free market the difficulties of governing the country's minorities and the development of new relationships with areas of strategic as well as economic importance to Slovakia's well being as an independent state This comprehensive and up to date analysis will be of great importance to scholars students and other researchers involved with Eastern European Studies

Socio-Economic Transformation of Slovakia since its Independence

Thomas Kovacs, 2016-11-24 Diploma Thesis from the year 2006 in the subject Business economics Economic Policy grade 2 Fachhochschule des bfi Wien GmbH language English abstract This thesis analyses the socio economic and political transformation processes of Slovakia since its separation from Czechoslovakia The main question to be answered is how successful Prime Minister Vladimír Mečiar's policies were in attracting FDI into Slovakia After the Velvet Revolution in 1989 Czechoslovakia started to initiate fundamental democratic measures concerning the public administration in the country Two interconnected reforms took place in 1990 decentralization and the civil service reform In 1992 a new government was voted into office under the leadership of Prime Minister Vladimír Mečiar from the HZDS party On 1 January 1993 Slovakia became independent by non violent means from the Czech Republic with Bratislava as its capital For a country which did not have economic wealth as high as the Czech Republic and an increasing unemployment rate the total change of their whole economy meant that much time was spent on the question of how to finance the state In terms of economic changes the Prime Minister wanted to create a strong entrepreneurial Slovakian class that would be able to control the economy But his privatization policies led to financial difficulties for the Slovakian state its economy and its people Although there was co operation with Russia the unemployment rate in Slovakia remained at 16.2% percent at the end of 1998 Constant discriminations in Slovakia and the fact that Mečiar excluded the opposition parties completely from parliamentary control organs the Slovakian Secret Service SIS the media and the process of privatization caused international protests against Mečiar and his regime This caused the EU to warn

Slovakia that it would no longer receive assistance if the government continued to misuse its power **A History of Slovakia: The Struggle for Survival** Stanislav J. Kirschbaum, 1995-03-15 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union *Slovakia on the Road to Independence* Paul Hacker, 2010 This memoir covers the volatile political intrigues surrounding the breakup of Czechoslovakia and the founding of independent Slovakia in 1993 *The Encyclopaedia of Slovakia and the Slovaks* Tamara Archleb Gály, 2006 [Manifesto of the Slovaks for Independence of Slovakia](#), 1975 **Slovakia After Communism and Mečiarism** Kieran Williams, 2000 **Historical Dictionary of Slovakia** Stanislav J. Kirschbaum, 2007

The updated second edition of Historical Dictionary of Slovakia offers cross referenced dictionary entries on Slovak political social and economic development since the creation of the second Slovak Republic in 1993 and its admission into the European Union in 2004 Entries describe presidents prime ministers and party leaders and many leading academics and cultural personalities including those from the national minorities The dictionary also contains entries on the various institutions of the Slovak Republic such as the judiciary system armed forces media and parliamentary committees and explains Slovakia's position and role in international organizations like NATO and the European Union The historical survey explains how Slovakia in its post Communist transformation was almost excluded from these institutions but eventually became a full member This second edition adds fresh personalities concepts and events that marked this nation's struggle for survival over the centuries The bibliography is expanded containing the most recent works in Western languages and seminal publications in the Slovak language on various aspects of Slovakia's history It enables the scholar and the researcher access to the background and the role of most of the institutions and figures of contemporary Slovakia **BOOK JACKET Current Problems of Slovakia, October 1993**, 1993 *NATO and the Czech and Slovak Republics* Jeffrey Simon, 2004 This is the second of three books by Jeffrey Simon on emerging post communist countries to recently join NATO As with the previous volume Hungary this book represents a tremendous amount of first hand research grounded in primary source material and personal interviews with key civil and military leaders Visit our website for sample chapters **Russia, Eurasian States, and Eastern Europe, 1995** M. Wesley Shoemaker, 1995-08 **Statistical yearbook of the Slovak Republic** Slovensko Štatistický úrad, 2003 **Slovakia** Peter A. Toma, Dušan Kováč, 2001 From medieval times to the current day historical accounts of Slovakia and the Slovak people have often been either sketchy romanticized versions of a pastoral society or

nationalistic exaggerated exaltations of the past Now Slovakia From Samo to Dzurinda at last offers a true history of the Slovak people without prejudice their struggle for national identity their aspirations for independence and economic development and their ambition to become a democratic state The product of painstaking research by the authors one a naturalized American from Slovakia and the other a Slovak historian this book is the definitive volume for readers in the English language who wish to acquire a more sophisticated understanding about past and present Slovakia From the seventh century empire of Samo the first Slav king to the present day struggle for democracy the authors detail all the region's significant history They examine the Slovaks Slavic ancestors and the emergence of a modern Slovak nation the postwar communist dictatorship and the Prague Spring the fall of socialism from the Velvet Revolution to the breakup of the Czechoslovak Federation and the ongoing process of trying to establish democratic institutions in today's independent Slovakia All readers regardless of their ethnic origin or political persuasion will find that this factual and scholarly historical survey of the Slovaks and Slovakia offers an illuminating new perspective on a people whose history has often been clouded by the interests of those who wrote about them

Slovakia Since Independence Introduction

In today's digital age, the availability of Slovakia Since Independence books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slovakia Since Independence books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slovakia Since Independence books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slovakia Since Independence versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slovakia Since Independence books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slovakia Since Independence books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Slovakia Since Independence books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slovakia Since Independence books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slovakia Since Independence books and manuals for download and embark on your journey of knowledge?
