**George Eliot**

## **Sm Just Leave Me Alone:**

**Am** Simon Plant,2012-12-09 Only upon publication do I realise this book s genre Horror The first part of this book Am is only a fragment of a book I wrote largely in the eighties about my search for my mind after a serious mental breakdown after leaving Oxford University in 1976 my subsequent conversion to Christianity and the development of a personal relationship with Jesus It also describes some of the relationships in my life my mother my father my ex wife and my brothers and sisters plus a few friends and associates Their names are disguised It is written in broken language to evoke my mentality at the time Please forgive some of the errors in text because i haven t had the time or patience to work any more on it because it belongs in the past However some of the errors are deliberate I was thinking very much of James Joyce s style in Ulysses The second half Regime in the Head written before AM is about my life in the mental health system and the Church of England and is largely a diary

**I Am a Survivor** Jeannette Moreno,2010-05-18 In 1989 I met Ron it was love at first sight which later became a nightmare My life was one of devastating choices in order to survive My children and I were ensnared in a trap of brutality that was hauntingly real The decision I made in order to live one more day under tortuous circumstances prevented him from killing me allowing my children and me to survive With one bag of food at my door I fed my kids for a week we were literally without a dime My strength and willful confidence kept us going and my children believed in me that was what kept us alive Today I can honestly say Ive come a long way

**Angry Man! Go Away!** Raje E. Voega,2013-04 Angry Man Go Away presents the true story of the life of author Raje E Voega who was raised by an abusive father who beat his mother and him often The oldest of eight children he was very harsh with his siblings due to his father s actions even so as an adult he has never hit or been violent with anyone Voega was born on the western coast of Canada and moved to Alberta when he was almost six As a child he was moved around a lot from Edmonton to northern Alberta At fifteen he went to live with his father in Edmonton but only stayed for six months although he remained in the area until he was nineteen Eventually he moved from that area and settled in western Canada finally ending up in southern Alberta In his early twenties he started down a path that might have led his imprisonment or death but he was able to turn his life around Recently he ended a relationship that put him in a very dark and hopeless place But instead of crossing a line that would have destroyed both his life and others lives forever he decided to write about the violence that exists in families today By telling his story in this memoir he hopes to save others from the violence that he has endured and at times created in his family

**Who Am I?** Tony,2013-06-14 This book was written during some of the most intense compounding and suffering moments that I experienced What is meant literally to be head pounding and raging emotional cycles of extreme bliss to chaos and back This book is a creation through me of that nature and the strength for which is preserved within it It is a story of survival knowledge and wisdom An expression of the catacomb of life force that is also the representation of us all not as a tomb but as a vault of knowledge experiences and wisdom built on the ages of human existence from the beginning to the end I want

you all to know that in the end I found gratitude for the experience even though the vortex was the most horrifying place to go Many have suffered its fate to a dismal ending of suicide yet I am a survivor one who has converted its negative energies to the positive force This force that is passed from one to another looking to focus in had found itself challenged by my own wit desires and struggles to find the truth The knowledge of its existence and the beholder of its cycle should be known by all of us so that it can be nourished for the good of humanity not the control of them The Satanist views of the days past have been inverted for the enlightenment has taken hold and will endure for the future existence of humanity My experience was like the Manchurian candidate 7 billion fold God bless him who has the strength to withstand this vortex in the next cycle God bless you all
