Stafford, 2014-06-11 Modern church leaders need to cultivate innovative and creative leadership skills as they navigate today's post Christian world and as their congregations look to them for insight and guidance Gil Stafford takes a fresh look at this vital need drawing upon his experience as a college coach university president and parish priest and interweaving them with ancient spiritual practices found within the discipline of spiritual direction Personal anecdotes help the reader envision their own life transforming pilgrimage as they develop into the type of adaptive leader that churches need in today's rapidly changing world This book challenges church leaders to foster sacred safe space holy listening silence and wisdom storytelling in order to create a discerning church community These techniques of spiritual direction can be applied to every aspect of the church from small group studies to conducting parish business Gradually the leader will be able to delegate some of his responsibilities to the congregation liberating them to be leaders and rescuing him from trying to be all things to all people Organix Bob Whitesel, 2011-11-01 Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God-given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2:42-47 which at their core point to Christ's work on the cross Taken together these
