Small Hands In South Asia Child Labour In Perspective:

Small Hands in South Asia Georges Kristoffel Lieten, Ravi Srivastava, Sukhadeo Thorat, 2004 Published in association with Indo Dutch Programme on Alternatives in Development Child labour has become a hot issue International attention has often been focused on South Asia and initiatives have been undertaken to use pro active policies such as a trade boycott to pressurise governments in India Pakistan Nepal and Bangladesh to implement a complete ban on child labour and to realize universal education A gathering of outstanding international scholars financed by the Indo Dutch Programme on Alternatives in Development has discussed these issues on the basis of empirically grounded research papers A selection of these papers has been edited for this volume The volume contains papers on the extent of child labour in South Asia and the spread across regions and sectors its correlation with education some of the worst forms of child labour and best practices The papers are a good mix of social anthropology economics and political science approaches The expertise of the contributors and their concern for what continues to be a stark reality in South Asia make this book an invaluable source of reference on the issue of child labour academically rigorous and politically relevant It will be highly relevant to policy makers scholars journalists and practitioners

The World of Child Labor Hugh D. Hindman, 2009 This definitive resource details both the current and historical state of child labor in each region of the world focusing on its causes consequences and cures Including contributions by an international team of leading child labor scholars researchers policy makers and activists as well as a wealth of current statistical data it is the most comprehensive reference available on the subject *Institutional Design for Tackling Child Labour Problem* D. Rajasekhar, K. G. Gayathri Devi, V. Anil Kumar, 2011 Study and evaluation of the child labor program in the state of Karnataka

Rights and Wrongs of Children's Work Michael Bourdillon, Deborah Levison, William Myers, Ben White, 2010-11-10 Rights and Wrongs of Children's Work authored by an interdisciplinary team of experts incorporates recent theoretical advances and experiences to explore the place of labor in children's lives and development This groundbreaking book considers international policies governing children's work and the complexity of assessing the various effects of their work The authors question current child labor policies and interventions which even though pursued with the best intentions too often fail to protect children against harm or promote their access to education and other opportunities for decent futures They argue for the need to re think the assumptions that underlie current policies on the basis of empirical evidence and they recommend new approaches to advance working children's well being and guarantee their human rights Rights and Wrongs of Children's Work condemns the exploitation and abuse of child workers and supports the right of all children to the best quality free education that society can afford At the same time the authors recognize the value and sometimes the necessity of work in growing up and the reality that a workless childhood without responsibilities is not good preparation for adult life in any environment *Child Labour* Georges Kristoffel Lieten, 2005 Explores the issues surrounding child labor worldwide and offers solutions and a plea for more research to be done

Hazardous Child Labour in Latin America G.K. Lieten, 2011-01-21 In order to bridge the lack of information on child labour and to stimulate policy interventions the IREWOC Foundation International Research on Working Children has undertaken action based research in the field of the worst forms of child labour in Latin America In 2006 and 2007 a comparative study on the Worst Forms of Child Labour was carried out in 7 different economic sectors in Bolivia Guatemala and Peru focussing on the hazardous worst forms The central research objectives were as follows to map the working and living situations of children who are working in specific economic sectors and what the consequences of this work are for their physical and emotional wellbeing to investigate the reasons why these children are working in these worst forms sectors The research results were expected to give important insights into the currently polarised debate between those who state child labour is above all related to cultural considerations and those who state that economic reasons are fundamental to the phenomena of child labour to map the existing policy initiatives for child labourers in the worst forms and to identify the best practices In the face of challenges imposed by achieving the Millennium Development Goals MDGs set by the UN specific attention was paid to educational initiatives Is education a useful tool in combating child labour and vice versa is child labour a significant obstacle to achieving universal primary education Although the evidence from the various cases discussed in the book illustrate positive trends in terms of the worst forms of child labor thousands of children were still found to be engaged in activities that form a direct threat to their physical mental and moral health and jeopardize their education This book proposes several practical recommendations for possible interventions
