Borne, 2025-02-13 Lillith Hemlock was born to a family that feared its own power The last in a long line of witches she was raised to believe magic was a curse until the night the witch hunters came Fire swallowed her childhood home forcing her family to flee to the one place they swore never to return her grandparents town where magic hums in the air and creatures of legend walk the streets There Lilly is drawn to the power she was forbidden to embrace Magic calls to her whispers her name in the wind tempts her with its beauty and danger But claiming it could mean losing the only thing she's ever known her parents love Then she meets Kyton a reckless silver-eyed fae boy desperate to save his dying father The only cure lies in the claws of a merciless dragon and Lilly is the only one who can help him steal it Thrown into a perilous battle she uncovers secrets about her past that shake her to the core A darkness lurks inside her something primal something hungry The deeper she falls for Kyton the harder it becomes to ignore the bloodlust awakening in her veins And the real enemy It's closer than she ever imagined If she can't control the monster within she won't just lose Kyton she'll lose herself A to Zoo Rebecca L.
