an ominous perpetrator known as the Cipher Jake refuses to submit to a drug test and resigns from the police department While battling a cocaine addiction Jake starts a high pressure position as the director of security at Tower International a controversial genetic engineering company Beneath the polished exterior of the corporate identity and the CEO who has a reputation as the frontiersman on the cutting edge of science is a deranged mind As Jake delves deeper into this frightening laboratory he discovers much more than unethical practices performed in the name of human progress Sequestered in rooms veiled in secrecy is the worst crime the world will ever see the theft of the human soul Horrifying and gruesome this is a gripping suspense filled novel that offers intense arguments about science ethics and human life In *Monster Behind the Wheel* As a child Jeremy Carmichael fell from a Ferris wheel at a carnival When he landed on a beautiful young woman his fall was broken Unfortunately so was the woman s spine Years later while delivering pizzas Jeremy is injured in a car accident that opens the gates between the worlds of the living and the dead awakening the spirit of cruel Frank Edmondson Frank the policeman who arrived at the scene of that carnival accident long ago was that woman s lover Now ready for revenge Frank devises a cunning plan Soon Jeremy finds himself visiting the realm of the dead in dreams and visions Is this Frank s doing or is there another explanation Using a sleek muscle car called *Monster* Frank gains control over Jeremy s life But what Frank doesn t know is that he s tampering with the fate of the entire universe because Jeremy isn t your average pizza delivery boy and all hell is about to break loose literally In *Floating Staircase* Following the success of his latest novel *Travis Glasgow* and his wife Jodie buy their first house in the seemingly idyllic western Maryland town of Westlake At first everything is picture perfect from the beautiful lake behind the house to the rebirth of the friendship between Travis and his brother Adam who lives nearby Travis also begins to overcome the darkness of his childhood and the guilt he s harbored since his younger brother s death a tragic drowning veiled in mystery that has plagued Travis since he was 13 Soon though the new house begins to lose its allure Strange noises wake Travis at night and his dreams are plagued by ghosts Barely glimpsed shapes flit through the darkened hallways but strangest of all is the bizarre set of wooden stairs that rises cryptically out of the lake behind the house Travis becomes drawn to the structure but the more he investigates the more he uncovers the house s violent and tragic past and the more he learns that some secrets cannot be buried forever (Don't) Call Mum Matt Wesolowski, 2025-05-08 PART OF THE NORTHERN WEIRD PROJECT Leo is just trying to catch his train back home to the village of Malacstone in North East England But there s disorder at the station and when a loud young man heading for London boards the train accidentally a usually easy journey descends into darkness and chaos The train soon breaks down in the middle of nowhere and as night falls something or someone steps out of the distance Is it a man or something far more sinister When one of the passengers goes missing Leo fears that a folkloric tale whispered to him in childhood might be the culprit Don t Call Mum blends Matt Wesolowski s trademark voice of mystery folklore and humour in this heart racing tale Praise for Don t Call Mum Matt Wesolowski is one of the UK s best horror writers Don t Call Mum is
